FROM qualification to final the annual Mid-April golf tournament was an event of many thrills with Charton L. Becker of Woodland, Robert Hunter of Wee Burn, and Henry C. Fownes of Oakmont, as the stars. In opening play Fownes won the trophy with a card of seventy-four, six strokes in the lead of Becker who scored eighty, with Hunter third in eighty-one. N. S. Halving the thirteenth in 3, the fourteenth in 5, and the fifteenth in 4, he won the sixteenth, 5-6, and the match three and two. ¶ The bye holes were played for a score and the totals of seventy-two and seventy-six rank with the best recorded in tournament play this season. ¶ The cards:
