BALLISTITE
SMOKELESS
SHOTGUN
POWDER for
FIELD AND
MARSH
SHOOTING

WHY handicap
yourself with
an inferior powder?
The successful hunt-
ing trip and its resul-
tant joys depend
largely upon the se-
lection of the sport-
ing powder.

YOU should there-
fore shoot BALL-
LISTITE, a powder
whose superiority has
been proven at the
traps as well as in
field and on the marsh.
Insist on getting
BALLISTITE. It is

Absolutely Waterproof

Unaffected by climatic changes.
Extremes of humidity and
dryness make no difference with
Ballistite.

YOUR top shot wad should
read BALLISTITE. Your
powder problem is then solv-
ed conclusively and satisfac-
torily.

BALLISTITE is loaded
by the principal am-
munition companies and
sold in shot shells and in
bulk by dealers every-
where. Booklet pertain-
ing to BALLISTITE
mailed free on request.
