

# THE HOLLY INN

Season: January to May

The Holly Inn is one of the most comfortable, attractive and popular hotels in the South, accommodating with its annexes, 200 guests. The interior, which has been thoroughly renovated and refurnished since last season, is cheerful and home-like, no effort having been spared in putting the rooms and furnishings in first-class condition. There are a number of rooms connected with private baths which are let singly or en suite. The hotel is heated throughout by steam and there are open fires in the foyer and parlors. A large music room where daily concerts and dancing are enjoyed, together with the attractive Dutch room and the billiard room, provide appreciated social features. The excellent cuisine and service for which the hotel is noted, will be maintained and patrons will find the Holly Inn a most comfortable home from January to May.
