

**Take No Chances With
The Powder You Shoot**

So far as your powder is concerned, eliminate the possibility of the misfire at a critical moment that spoils a day in the field or at the traps. Carry shells loaded with a powder you can depend upon. Shoot

**E. C.
OR
INFALLIBLE**

Smokeless Shotgun Powders

Here are powders that make an instant appeal to the sportsman.

Their characteristics are: even patterns, light recoil and breech pressure always within safety limits.

INFALLIBLE is a dense smokeless powder that burns very clean and is absolutely waterproof.

E. C. is a smokeless powder that meets with favor from those who prefer a bulk powder.

We will gladly give you detailed information on these powders. Write us. You can't know too much about the powders you use.
