## HAPPY IN ANTICIPATION!

Spring, in Radiant Garb, Strews  
Flowers as She Smiles  
and Beckons

AS THE LULL after the storm, has been the week, with the Championship tournament still the topic of conversation in spite of interest in the Mid-April contest. ¶ And April has vanquished March in a twenty-two hole battle, and Spring decks herself in radiant garb, strewing flowers as she smiles and beckons. ¶ Socially we dance and dine, bridge and tea, happy in anticipation of what the morrow holds in store.
