Social Service Committee

A Social Service Committee has been formed by ladies at Pinehurst to systematize the helpful work to be done in this section. The ladies of the Committee ask that cases of need be reported direct to the Field Workers, Mrs. T. A. Cheatham of Miss Helen Child, so that the work to be done shall not be unnecessarily duplicated nor those requiring assistance be overlooked. The members of the Committee and all those wishing to assist them will meet every Friday at 10 A. M. at the house of the president, Mrs. P. W. Whittemore, Village Green East. Everyone interested is invited to help, either actively or by contributions—or in both ways.

These balls have been played in many important tournaments this season.

From the center out Worthington Balls are wound perfectly round through our patented process and will always retain their shape.

From our own mechanical tests we have yet to see any competing ball that will beat them for distance.

We do not use liquid, semi-liquid or soft centers.

Worthington Golf Balls have the best quality rubber centers. Become acquainted with them and get genuine playing pleasure in their use.
