MRS. BARLOW IN THE LISTS

Wins Again on the Pinehurst Links,
Playing With Miss Gates

The Silver Foils played a four ball foursome match Wednesday last with the fastest field that has been gathered on the historic course for a long time. The entries included such fast performers as Mrs. Clarence H. Vanderbeck, the National champion, Mrs. J. V. Hurd, one time champion of all golf in sight, Mrs. R. H. Barlow, winner of last year's North and South and champion of the State of Pennsylvania, and Miss Elinor Gates who has this year developed into a present danger to them all.

The two ranking players, Mrs. Hurd and Mrs. Vanderbeck, were paired together, and although they brought in a score of 85 had to be content with second place. Playing from scratch Mrs. Barlow and Miss Gates made the course in 83, 41 out and 42 in, and took first honors.

There were two other couples to equal the Hurd—Vanderbeck record, Mrs. John Chapman of Greenwich and Mrs. T. R. Palmer from Erie went out in 41 and returned in 44, and Miss E. McCague and Mrs. E. H. Behrend of Erie made it in 45—40.

The net results were as follows:

Mrs. R. H. Barlow and Miss Elinor Gates	41	42—83
Mrs. Clarence H. Vanderbeck and Mrs. J. V. Hurd	39	46—85
Mrs. John Chapman and Mrs. T. R. Palmer	41	44—85
Miss E. McCague and Mrs. E. H. Behrend	45	40—85
Mrs. C. M. Wells and Mrs. H. H. Van Cleef	41	49—90
Mrs. Spencer Waters and Miss Priscilla Beall	45	49—94
Mrs. S. B. Belden and Mrs. M. D. Rae	43	52—95
Mrs. G. M. Howard and Mrs. John Dunlop	45	52—96
Mrs. J. T. Newton and Mrs. F. S. Danforth	44	52—96
Mrs. C. F. Lancaster and Mrs. L. E. Beall	46	51—97
Mrs. F. T. Ellison and Mrs. C. Z. Mertz	45	52—97

A Book of Facts
About Humus for Greens

THE question of the use of Humus for greens has been thoroughly tested by many clubs; is being tested by others; while some are looking on, waiting for still further conclusive evidence.

That the use of the raw water laden humus has not proved satisfactory in many cases is a well known fact.

That there is a *distinct difference in humus* is becoming recognized.

That many are injuriously acid, the several destroyed greens prove beyond dispute.

The difference there is in humus is of vital interest to you.

Why there is a greater difference; than the difference in price, between Alphano Humus and all other humus; is set forth frankly and fairly in our Alphano Book, which you are welcome to.

We also want you to send for "Lawns & Golf Courses, Their Care and Fare."
