

TOWNSEND'S TRIPLEX

(PATENT PENDING)

The Greatest Grass-cutter on Earth Cuts a Swath 86 Inches Wide

Drawn by one horse and operated by one man, the TRIPLEX will mow more lawn in a day than the best motor mower ever made, and cut it better at a fraction of the cost.

Drawn by one horse and operated by one man, it will mow more lawn in a

day than any three horse-drawn mowers with three horses and three men. Does not smash the grass to earth and plaster it in the mud in Springtime, nor crush out its life between hot rollers and hard, hot ground in Summer as does the motor mower.

Write for Catalogue illustrating all types of Lawn Mowers including Townsend's GOLF WONDER for putting greens. (Free).
