

**Have a Care  
About the Seed You Buy**

**W**ITHOUT making exhaustive time tests of grass seeds, how can you tell whether they are free from weed seeds and right in mixture?

When you buy anything for yourself; you go to a firm with an established reputation where you can "Take their word for it."

Why not carry the same business principles into club matters? Sutton's is one of the oldest, if not the oldest seed house in the world.

Their reputation is your sweeping guarantee of dependableness.

You are welcome to a copy of our Red Book on Golf Course Construction.
