

OLD POINT COMFORT, VA. GEO. F. ADAMS, MANAGER

No European "Cure"
surpasses, and few
compare with this
Luxurious
American Resort Hotel

Wonderfully situated in the midst of a happy combination of Land and Sea diversions, and accessible from every point in the United States. From North and South, East and West, gather the guests of the Hotel Chamberlin to "Take 'The Cure'". Electric, Nauheim and Radio Baths are prescribed for some—others get well by using Nature's remedies alone—the Sea, the Sun, the Salt Sands.

Golf, Tennis, Riding and Motoring await the devotees of these sports. The Cuisine of Hotel Chamberlin is famous—the finest sea-foods in the world are found in the waters around Old Point Comfort. Perhaps the most fascinating side of all is the Social Life, for

here the Army, the Navy and Society mingle as nowhere else on this continent.

THE CHAMBERLIN

THE POMPEIAN SWIMMING POOL
