Grass Seed Supplied by Stumpp & Walter Co. for Six Successive Seasons

# Grass Seed

of Known Quality

TESTED FOR PURITY AND GERMINATION

For the Best Results, whether it be for the Golf Course, Tennis Courts, or Your Lawn, the purchase of seed of the very highest quality, selecting the right varieties in proper proportion to suit soil and climatic conditions, is most important.

**Remember**—All our seed is of the highest quality, purchased direct from the source of supply, and carefully examined as to purity and growth by the leading seed testing stations.

We are always glad to suggest formulas suited to soil and climate, and tell you the exact percentage of each of the varieties in the formula, or we furnish seed by named varieties.

The benefit of a grass seed expert—one who has made a life study of this subject—is at your disposal

### Gymkhana

The horseback squadron and those fond of the saddle started the equestrian games on the polo field again last Tuesday afternoon under the management of Mrs. Twitty. Although new to the performance many of the guests in the village took part and gave a pretty good exhibition of horse management, and provided an entertainment for a number of spectators as well as themselves.

The program was carried out by a brigade composed of Miss Thomas, Miss Ormsbee, Miss Tufts, Miss Bliss, Miss Abbe, Miss Cheatham, Messrs. Thomas, Langshaw, Ogden, James Tufts, and divers others. It included a potato tournament, in which none could compare with James Tufts

in spearing the tubor, what might be called a Rosette joust, a maneuver that tested the utmost skill in the manipulation of the mounts, and egg race, a delicate performance, and a ball and bucket sort of horseback slight of hand in which Langshaw showed an intimate knowledge not to be imitated. The games gave promise of providing a leading feature to the sport of the coming weeks.

### Benefit of New Chapel

There will be a euchre party and musicale at the Country Club on Monday, February 19th at 8.30 o'clock in the evening for the benefit of the new chapel. All the Cottage Colony and guests at the hotels are cordially invited to attend.
