

**TIN WHISTLE TOURNAMENTS**

**Kelley Opens With Victory. Shannon and Johnson Take Early Prizes**

**J. B. Bowen Makes Lowest Score in Best Selected Twelve Hole Event**

The advance guard of the Tin Whistle club lined up at the first tee on number two course, Pinehurst links on November 17th, initiating the Season's Play and preparing to take a fall out of Bogey. Tabulated with mathematical precision as the file returned, we find that Tom Kelley had wielded his breadwinners to such good advantage that he not only appropriated the alligator silver mounted bag, but with the aid of a negligible handicapped roundly trounced the Colonel, and established the first low mark for the course—a perfectly respectable eighty. R. C. Shannon was the pace maker, displaying an eighty-four gross, and coming home four up, within a stoke of Kelley net.

**A GOOD MEDAL ROUND.**

Shannon maintained his fast pace the following week, when the increased ranks lined up in two divisions in handicap medal play for the McClearn and Tichenor trophies. He turned the tables on

the Southern Pines champion, marking up first place with a net score of 74. This was too good for Kelley, although he was still on the crest of the wave, repeating his gross eighty with ease and abandon. Becker appeared on the horizon with an opening card of 79 net, 87 gross, third best of the day.

Meantime M. B. Johnson had brought his ordnance from Cleveland and not only walked off with the Second Class, but recorded the best net score of the day, a substantial 73. R. C. Steece of the Youngstown legion gave the closest battle and eked out second place over J. B. Bowen.

**BOWEN BEATS THE BUNCH**

By the 3d of December the champions had assembled from the four quarters in full force. The day's play was a medal round in which each aspirant was at liberty to select his best 12 holes out of the eighteen. J. B. Bowen selected with such discretion that he moved from third position taken the week before into the winning class, his handicap running the score on the holes selected down to 45, somewhat under fours. Shannon's streak stayed with him, and he tied the score. J. H. Clapp put in his appearance from Chevy Chase and gave these two a hard run, tying C. L. Becker of Ekwanok with a net tally of 46. Howard Phillips and Harry Waring made their debut in the famous contests.

Below will be found the summaries of all three events. They were all played on course number two, in the sunshine.

**Townsend's Triplex**

The Public is warned not to purchase mowers infringing the TOWNSEND PATENT, No. 1,209,519, Dec. 19, 1916.

The Greatest Grass-cutter on Earth, cuts a Swath 86 inches wide. S. P. TOWNSEND & CO. 15 Central Ave., Orange, N. J.

Drawn by one horse and operated by one man, the TRIPLEX MOWER will mow more lawn in a day than the best motor mower ever made, cut it better and at a fraction of the cost.

Drawn by one horse and operated by one man, it will mow more lawn in a day than any three ordinary horsedrawn mowers with three horses and three men.

Floats over the uneven ground as a ship rides the waves. One mower may be climbing a knoll, the second skimming a level and the third paring a hollow.

Does not smash the grass to earth and plaster it in the mud in springtime nor crush out its life between hot rollers and hard, hot ground in summer as does the motor mower.

Send for Catalogue illustrating all types of TOWNSEND MOWERS.
