Learn to Shoot Moving Objects

The secret of the fascination of trap-shooting is in the flying target.

Its constant challenge to the gunner's skill, stirs the blood of pioneer Americans that runs in his veins.

Every man—every woman—should know how to shoot and hit what is shot at. The best place to learn is at the local trapshooting club.

Learn *why* by reading our booklet "The Sport Alluring" sent free with address of nearest club where you can learn *how*.

Wilmington, - Delaware.

Hercules Smokeless Shotgun Powders

Look for the Name of the Powder

Any sportsman who gives the matter a moment's thought will agree that the powder contained in the shotgun shells he uses is a factor of prime importance to him when shooting either in the field or at the traps.

This being so it is a matter of ordinary prudence when buying loaded shotgun shells to specify that they be loaded with a powder with which you are familiar—a powder upon which you can depend in all circumstances.

You get such a powder when you specify either Infallible or "E. C."—the two Hercules Smokeless Shotgun Powers.

Infallible and "E. C." can be obtained in all the following makes of shotgun shells:

Peters	Selby	Western
Remington	U.S.	Winchester.
