PINEHURST SCHOOL

Day and Boarding School for Boys

of from eight to eighteen years, offers, in addition to the advantages of a small private school, features which only a school in the Sandhill Region can possess.

Among the numerous extra curricular activities which the School offers are: baseball, tennis, basket ball, golf, riding, canoeing on the Lumbee, forestry, manual training and military drill.

Boys who live in Pinehurst during the winter may enroll as day scholars. Such pupils are conveyed to and from School; motor bus leaves the General Office at 8.25 each morning. Classes begin at 8.45 and last until 1.00. Boys remain for the afternoon recreation period, when, in their work and in their play, they are constantly under the supervision of experienced masters.

Come to the Dance

Tuesday evening, April second is the date. Bear it in mind. At half past eight the dance will open at the Pinehurst Country Club, with the full orchestra and the bag of tricks, and the merrymaking begins. It is given under the auspices of the ladies of the Catholic Chapel, and every one is cordially invited. Tickets will cost 50 cents each.

For the Bridge Friends

There will be another big party at the Country Club on Friday afternoon next, the fifth of April, at 2.15. Admission will be \$1, to go to the Farm Life School. Ladies are advised to reserve their tables in advance. Everyone is cordially invited.

EVERYBODY WELCOME

To Tea at Plantation House at Samarcand

Next Tuesday afternoon from four to six Mrs. Raphael Pumpelly will serve tea at the Pumpelly mansion on the plantation at Samarcand and open her house for an informal entertainment to be given for the benefit of the Red Cross and the Samarcand School. The cottage colony and the hotel guests of Pinehurst are cordially invited to attend. A charge of fifty cents apiece will be made for these causes. The Outlook suggests that a great many of our visitors will find this a good opportunity for them to take a pleasant run into the country, now brilliant with peach blossoms, and to see the principle big modern cotton plantation in this part of the world.

Advertisers To The Rescue

The war chest of the Pinehurst Red Cross was substantially reinforced last week by the Winter Golf League of Advertising Interests when a number of the winners contributed their winnings. A letter received from Frank Nye brought the good news, and has been acknowledged with sincere gratitude by the host of workers. The contributions totaled \$240.
