

THE BIG SHOOT

(Continued from Page Three)

for the bottom man up to \$378.00 pulled down by Kelsey.

The Handicap event also decided the great race for the general average Trophy with a win for Tracy H. Lewis of New York, over Paul Earle, the South Carolina champion and winner of the 450 target event in which Lewis finished second. Lewis broke 615 of the 650 targets thrown in the 450 target affair and the 200 targets in the Preliminary and Midwinter Handicap events. Earle's total was 612. Harve Dixon finished third.

The Preliminary Handicap, shot on Thursday, resulted in a win for T. T. Todd, of Greenwood, S. C., on the shoot-off of a tie, at 95, with Dr. F. J. Buzzard of Portage, Pa. Both shot from the 18-yard line. The two shooters tied again with 23 each on the first shoot-off, and Todd won, 23 to 22, on the second attempt.

Two 19-yard men, H. F. Bopp of Lansing, Mich., and C. B. Stickley of Vancluse, Va., tied at 94, with J. H. Dreher of Wilmington, N. C., 17 yards.

Elmer C. Wheeler, Oklahoma State Champion, and Osage Indian Chief, broke 93 from the rear trench and tied at that figure with E. M. Roberts of New York, the well-known ace, a 17-yard man, and with four other guns. Chief Wheeler was the only one of the maximum distance shooters to finish in the money. The twenty-eight leaders, all of whom broke 90 or better, collected \$1,290.00

D. W. Baker of Pittsburg, who won the Midwinter Handicap last year, annexed the Anniversary Trophy at the end of an uphill contest with W. G. Ramsey of Plymouth, Ohio. The Anniversary was a special event among previous winners of the Midwinter and was made up of the 100 targets in the preliminary and 100 in the Midwinter.

The East triumphed over the West rather handily in the sectional contest based on the five highest scores made on the first three days 450 targets. Earle, Lewis, Heil, Brown and Lofland comprised the Eastern contingent and scored a total of 2162, while Wheeler, Troeh, Dixon, Rand and Sharman made up the squad from the West and scored 2115.

How they finished. Scores in first column represent Preliminary Handicap and second column represents the Midwinter Handicap.
