PINEHURST DAIRY MAKES RECORD

In the official testing of dairy cattle in the State of North Carolina, under the direction and supervision of the State Agricultural Department for the month of December, one hundred and twenty-one cows from all over the state were entered. This included several from the famous Biltmore Jersey herd.

Jerseys, Guernseys, Holsteins and Ayrshires were all represented, and of those hundred and twenty-one entered, twenty-eight made the requirements for the Honor Roll. Pinehurst entered five cows in all, and won first, second, fourth, fifth and sixth places in production of milk for the month. All five of the cows are on the honor roll, and, needless to say, the cows as well as the men in charge of them are proud of their achievement.

and Washington. He attended the Polo Association meeting held in New York on January 18, and while in Washington he saw various Army polo players in the interest of the local club.

The standard of playing is steadily improving. Among the players who took part in the practice games last week were Messrs. C. Crocker, J. Tuckerman, James Boyd, W. Maddison, Gordon Cameron, D. Whyte, Capt. Marshall, Capt. W. Cogwill and Capt. Bryan.

The Moore County Hounds had two good days' hunting last week. Among those out were the Master, Mr. James Boyd, Capt. Bryan, Mrs. Stuyvesant Peabody, Miss Dorothy Fitzhugh, Mr. and Mrs. W. Maddison, Miss Ivy Maddison, Mrs. Leo F. F. Wanner, and Captain Marshall.

MRS. CHAPMAN'S FLAG FLOATS FURTHEST

Wins Silver Foils Contest

The Silver Foils Annual Flag contest played on Friday last, resulted in a win for Mrs. John D. Chapman, when she planted her flag just four inches from the pin on the eighteenth green, and two feet in front of the colors carried by Mrs. Herman Ellis, who was awarded second prize.

Mrs. Chapman was burdened with a plus handicap and allowed only 89 strokes. Planting her flag within four inches of the cup gave her a 90 for the round. She went out in 47 and came home in 43 including an 8 on the long seventeenth. Playing in a match later on in the day, Mrs. Chapman again went around in 47-43-90.

Other contestants to pass the eighteenth tee in safety were Mrs. George M. Howard, handicap 4, and Mrs. L. E. Beall, handicap 23. Mrs. C. S. Waterhouse holed out on the seventeenth, and Mrs. Harriet Waters spent her last stroke on the seventeenth green.

SAND HILL POLO CLUB NOTES

April 4-10 has been fixed as the dates for the Polo tournament.

The Master is making every effort to get the country well panelled.

General Bethell, British Military attache at Washington, is shipping four ponies to Pinehurst this week.

Various members of the British Embassy staff are planning to participate in the week-end polo games.

A prominent western club is expected to make their winter headquarters in Pinehurst next season.

The club was glad to see Mr. Roger Derby knocking the ball around the field, and hopes he will become a regular member.

Capt. A. Loftus Bryan, Secretary of the club, has returned from New York

ANNUAL MEETING OF BANK STOCKHOLDERS

The annual meeting of the stockholders of the Bank of Pinehurst was held at the General Office on Wednesday evening of last week.

There was a large attendance and much interest in the meeting. The Cashier's report showed that in spite of the peculiar conditions of the money market at this time, the bank's deposits are substantially ahead of last year, not considering those of the branch bank at Hemp, N. C. A dividend of 6 per cent. was declared. The reason why a larger dividend was not declared was due to the fact that it was deemed advisable to keep on hand a substantial amount of undivided profits.

Members of the Board of Directors were elected as follows: J. R. McQueen, C. B. Hudson, A. S. Newcomb, M. C. McDonald, J. B. Von Canon, I. C. Sledge, Jas. W. MacNab, O. H. Stutts, S. G. Garner, J. Madison Brown, F. W. Von Canon.

J. R. McQueen was elected President; C. B. Hudson, M. C. McDonald and A. S. Newcomb, Vice-presidents; I. C. Sledge, Treasurer; F. W. Von Canon, Cashier; B. U. Richardson and S. G. Garner, Assistant Cashiers.

RED CROSS

A noteworthy action of the Red Cross at the meeting in Jackson Springs, January 2nd, was the vote to establish a Loan Closet to aid our efficient County Nurse, Miss Mabel Craft.

Miss Craft's services in the county have been invaluable, but in many homes proper attention could not be given for lack of equipment. This the Loan aims to provide.

Bed pans, rubber sheets, hot water bottles, clothes, bed linens, old clothes or linens for cloths are needed

All are asked to aid in this worthy cause. Those who enjoy the benefits of a well provided home scarce realize the necessity for this move.

Donations of money or articles may be sent Miss Craft, Carthage, N. C., or Mrs. J. R. Page, Aberdeen, N. C.
