COUNTRY CLUB NOTES

The next big tournament scheduled is the Seventeenth Annual Spring tournament, and is set for March 7-12.

W. E. Truesdell, the Garden City veteran, is going stronger than ever and scored a 77 on the Championship course this week. Mr. Truesdell will play in the Metropolitan amateur championship this summer for the first time in several years, as the event is to be held on his home course. He will surely qualify if he starts and is very likely to give some of the younger golfers a surprise in the match play.

Pinehurst was a trifle slow in taking up the latest golfing fad and there was quite a flurry at the Country Club on Tuesday last when Miss Elizabeth Clemson of Middletown, N. Y., appeared in a foursome on Number 3 course attired in knickerbockers. Women golfers in Eng-

below 90, scored an 85 on the Championship course on Monday after using 7 strokes on the short sixth hole and 11 strokes on the seventh. The following day Mr. Hotchkiss was partnered with J. L. Weller against H. W. Ormsbee and Robert Foote and covered the course in 38-42-80. Mr. Foote sank an 8-foot putt on the home green to square the match.

Father and son tournaments are popular in many golfing centers, but it is unusual for one family to be represented by grandfather, father and grandson team, and if an event was arranged for representatives of three generations in one family to compete, the Fownes family would undoubtedly win with ease. In a Tin Whistle tournament this week, H. C. Fownes played with his grandson, H. C. Fownes, 2nd, and both scored 89. C. B. Fownes played in the same match and returned a card of 77. The total medal scores for the trio was 255.

Mr. Jansen Noyes of the firm Hemp-hill, Noyes & Co., New York Brokers, has leased the Vance cottage recently built by Messrs. A. S. Newcomb and O. H. Stutts. Mr. Noyes' family will make the journey to Pinehurst by automobile, and are expected to arrive very shortly for the remainder of the season. Mrs. Noyes is a daughter of Mr. and Mrs. E. C. Blanke who are annual visitors to Pinehurst and are now located at the Carolina.

land have been wearing knickers some time and Chicago golfers who are here say that women in their district have taken up the fad, but Miss Clemson was the first to set the fashion in Pinehurst.

Members of Congress who pride themselves on their golf game will find a keen competitor when Congressman Charles Underhill of Massachusetts takes his seat in the House. Mr. Underhill is a member of the Winchester Country Club and is spending a month on the Pinehurst links. He has improved his game to a marked degree since coming here, and recently scored a 91 on the Number 3 course. The outstanding feature of the round was a 2 at the 190-yard sixth hole, where he drove to the green and sank his putt for a 2.

President-Elect Harding Sends Congratulations to Pinehurst Golfers

In a letter just received by Donald Ross from President-elect Harding, the President-elect asks that his congratulations and own good wishes be extended to all Pinehurst golfers.

Mr. Harding was a visitor to Pinehurst last season in company with several of his fellow members of the Senate and enjoyed a number of rounds on the Pinehurst links. It is hoped that he will soon make another visit here.

Another fast match during the week was when George McLean and George Fotheringham played against Charlie Hoffner and Charles Mothersele and won by 1 up, with a best ball of 68. McLean distinguished himself for both high and low, making a 2 on one hole and 9 on another.
