

GOLFERS
Tennis, Base Ball and Foot Ball Players use
ALLEN'S FOOT-EASE

The Antiseptic Powder to shake into the shoes, because it takes the friction from the shoe, freshens the feet and makes walking a delight.

Shake Allen's Foot-Ease into your shoes before going on the links and notice the difference in your comfort, which often affects your score.

The Government supplied 1,500,000 lbs. of Powder for the Feet to the troops during the war. Be sure to get the genuine Allen's Foot-Ease. At dealers everywhere. Ask for ALLEN'S FOOT-EASE

COLORS DEFEAT WHITES IN POLO GAME

Practically all of Pinehurst turned out on Sunday afternoon last to witness a keenly contested polo match between the Colors team and the Whites, in which the former triumphed by a score of 5 goals to 3.

The grounds and weather were perfect and a fast galloping game ensued. Goals were scored by Mr. Harriman, Col. Foy and Capt. Bryan, the score at half time being 4 - 0 in favor of the Colors.

On resuming play, Mr. Harriman exchanged places with Capt. Cowgill. The final period, in which the Colors scored one goal and the Whites 3, was remarkable for the fast pace displayed by both sides, the excitement among the onlookers being at the highest pitch.

The Club is to be congratulated on providing the public with such unique entertainment every Sunday afternoon. There is no charge for admission and the public is cordially invited to attend. The team will go to Camden on March 21 to take part in the tournament for the Southern Circuit Cup. The cup is the property of the Polo Association and is played for every year by the various southern clubs, the winning team retaining it one year. The club carries the best wishes of Pinehurst on their Camden invasion.

DEDICATION OF NEW CATHOLIC CHURCH

On Sunday, March 6, the ceremony of blessing a new church dedicated in honor of the Most Sacred Heart of the Savior was performed at Pinehurst by Reverend William J. Dillon, Rector of the parish. An untimely attack of illness prevented the aged Bishop of Belmont Abbey, Dr. Leo Haid, O. S. B., from being present and officiating as was planned.

Shortly after ten o'clock Father Dillon, accompanied by Fathers Michael and Nicholas, professors at the Abbey school, began the ritual prayers of dedication which included the recitation of several psalms with litany of all Saints and the sprinkling of both outer and inner walls with holy water. A solemn Mass of thanksgiving, celebrated by Father Dillon, followed, at which a goodly representation of the reverend clergy assisted. Beautiful music was rendered by the Misses Ste. Marie, Messrs. Costello and Foley augmented by violin soloists from the Carolina Orchestra. After the holy gospel had been chanted by Rev. Father Michael, O. S. B., a fitting and stirring discourse on the significance of the sacramental fact in historic christianity was delivered by Rev. M. A. Irwin, pastor of Newton Grove Catholic church. The sermon was a delicate and constructive apologetic for the Catholic idea of religious worship, and was capable of clear understanding and high appreciation by a large congregation with a considerable sprinkling of non-Catholics. Toward the end of the service Father Dillon thanked all those who had made possible the erection of the chapel through their contribution of land, money and various other helps.

The new church is Gothic in design, copied after the middle-age English style. The transepts are very large and supply recesses for side altars and pews. The sanctuary is deep and provides ample room for carrying out elaborate ceremonies, which is one of the glories of Catholic worship. The church will accommodate between four and five hundred people, and when adequately equipped with statues, frescoes, stained glass windows and other becoming instruments of devotion it will be a beauty spot and a veritable sanctuary of divine worship in this part of the state. The cost of the building approximates \$40,000.
