

STEADY MAN

Sole and Heel

of Sturdy White Rubber

—the cone shoe is the logical successor of the spiked shoe

The truncated cones on the sole are positioned precisely where the stance comes - - under the ball of the foot.

These cones prevent slipping. They grip the soil. They never tear the turf or green.

Lighter than ordinary "spiked" shoes, they're thoroughly comfortable. Sewn to leather, Steady Man Soles and Heels do not "draw" the feet.

Unnecessary to change shoes for luncheon or between games. They do not disfigure rugs or floor.

Fine, too, for the tennis court, or yachting.

Easily attached to your friendly old shoes, at W. N. Foye's or at your own repair shop. Ask your club "Pro" for them. Or, a line to us will ensure your getting them.

FIRST ANNUAL POLO TOURNAMENT OPENED APRIL 2

The first annual polo tournament at Pinehurst opened on April 2 with four good teams on the ground. The first day's play was devoted to the playing of the first round for the Novices' trophy, in which the Sand Hills team met and defeated the Visitors' team, 10 goals to 1. The Sand Hillers seemed to outclass the Visitors, as the only goal they scored was the handicap allotted them by reason of Captain Bryan's handicap 1. Neither side scored during the first of the six chuckers, but beginning with the second period Messrs. W. A. Harriman and John W. Tuckerman managed to score an average of two goals for the five remaining chuckers.

On Thursday morning of this week Camp Jackson's team will meet Camden in the second round of this event, and on Friday at 3 p. m., the Sand Hills team will meet the winner of Thursday's play in the final round for the Novices Trophy.

The April Trophy was played on Monday, all four teams participating in the round robin, three chuckers each, and the day's play resulted in a tie between Camp Jackson and Camden with an aggregate of 12 goals each. Sand Hills scored 10 and the Visitors team 5. The tie between Camp Jackson and Camden will be decided in the first chucker in which these teams meet in the next event, which will probably be in the second round of the Novices' trophy to be played Thursday morning.

Earl Shaw, a handicap 3 man, who is playing back for Camden, scored 4 of Camden's twelve goals and Capt. Bryan, the Pinehurst back, negotiated three of the eight earned goals credited to the Sand Hills team. John W. Tuckerman, who made four of the remaining five goals, was put out of business in the last match by being hit on the head with a mallet, but was not hurt seriously, and is expected to be back in the line-up in a day or two.
