

THE HORSE SHOW

The Fourth Annual Horse Show under the auspices of the Pinehurst Jockey Club was held on Tuesday and Wednesday of this week with 121 entries in 25 classes. The exhibitors, numbering over fifty, represented nearly every state in the East, and the show was particularly remarkable for the quality of horses shown.

W. C. White, President of the White Company of Cleveland, Ohio, is now making his annual visit to Pinehurst for rest and an outing of golf. In this connection it is interesting to note the popularity of Mr. White's product in this section of the country. The fire truck at Pinehurst was purchased from this concern some four years ago and has served as a protection against fire for the entire community, and the large bus that plys between points around Pinehurst was also manufactured by this concern. More than 16,000 White trucks were in use by the allied armies during the war.
