**HARMON BROTHERS LEAD STRONG FIELD**

(Continued from Page 3)

and pass the brothers before the seventy-two holes had been run out.

The Harmon brothers played remarkable golf. They played 72 holes without taking a single six. They registered 57 holes in par, nine in birdies and six in one under par. This was golf worth taking the prize and it did. Their rounds were 69-66-68-70-273.

It was only through superb team work that the Harmon brothers were able to pull through. They appeared to understand one another perfectly, and while other pairs, probably because of lack of proper knowledge of one another's temperament were not pulling together as they should, the brothers kept knocking off the pars in a steady stream.

The Harmon brothers led the field at the end of the first day with rounds of 69-66-135, but were closely trailed by Jesse Guilford and Tom Boyd, at 137, and Hagen and Robeson at 138. The critics here thought that with such formidable pairs on their heels the Harmon brothers would weaken but they never gave any indication whatever of cracking. They came within an ace of making it four rounds under 70, for Tommy's bid for a 69 on the final round hit the cup but rolled off.

**FALL OF GUILFORD AND BOYD**

The fall of Guilford and Boyd was the big surprise of the tournament. They went out on the last day confident of catching the Harmon brothers and were more concerned about Hagen, for they knew of Walter's ability to come up from the rear in the finish of a golfing hunt. They thought Tommy and Peter would run their best ball up into the middle seventies in one round and thus leave an opening, but they did not figure the thing correctly.

It must have gotten on the nerves of Guilford and Boyd, for they were paired with the Harmon brothers for the last two rounds and every time they looked up one of the Harmon brothers was getting a par or a birdie. It was the Guilford-Boyd team that cracked a little, and at the seventeenth hole of the third round both Guilford and Boyd left themselves short putts for fours and both missed.

Jesse missed his first and did not hole for a five. Then Boyd did the same thing, failing his putt by an inch for a five. He walked off the green but returned when his attention was called to the fact that neither he nor Guilford had holed out. The committee gave them a two stroke penalty which made a seven on a par three hole.

The best round of the tournament was the 66 made by the Harmon brothers in their second trip over the championship course.

The cards were:  
Out 4 4 3 3 4 3 5 4 3 - 33  
In 4 4 4 4 4 2 4 3 4 - 33 - 66

This shows four birdies, the eighth in one over par and all the others in par figures.

It should be recorded that to Jesse Guilford fell the honor of making the most brilliant shot of the tournament when he hooked his tee shot into the woods at the tenth hole of his second round, and then holed a full mashie shot for a two.

The amateurs were awarded fine prizes. Peter Harmon won a complete silver service and chest for being the amateur member of the winning team. Silver plates were given the other amateur winners.

The scores, prize winners and amount of money won by professionals were:

Peter Harmon, Scottish-American, and Tommy Harmon, Hudson River, (\$500). 69-66-68-70-273

Guy Standifer, Columbia and Fred McLeod, Columbia, (\$300). 70-70-69-71-280
