BANK of PINEHURST

PINEHURST, N. C.

MOST convenient thing in the world to have a checking account with the bank in the community where you stay, and it is handy in the summer while you are away as well as in the winter while you are here. You may want to pay taxes, or some little investment account, or in various ways to draw against a local account.

And it is always equally accessible in case you want to check against it while North.

Same way with your valuables. Doubtful if you will find a safer place through the summer than our vaults. Pittsburgh men designed them, and Pittsburgh knows how to make steel that gives a burglar a real job. Look at our Vaults.
