## Cafe des Invalides

Sold at the  
Pinehurst Department  
Store

This compound is not all coffee, but con-  
tains about seven-eighths coffee, of the finest  
grades, blended with vegetable substances,  
which have been found to render it more  
healthful than pure coffee, in that it does not  
produce nervousness or wakefulness.

"CAFE DES INVALIDES" does not pro-  
duce the usual effects.

Yet "CAFE DES INVALIDES" pleases the  
most critical connoisseurs.
