*Army Entries Feature Brilliant Affair—Exhibition Brings Society Out to Witness Judging—Many New*

## *Features Added*

**D**ESPITE the women's golf tournament which was running at the same time, society folk, who are vacationing in Pinehurst, from all sections of America, turned out for the twelfth annual Horse Show last Tuesday and Wednesday to watch the pick of ponies, hunters, saddle horses, jumpers and army horses in this section compete in the new ring for trophies and ribbons. The show, probably the most successful ever held under the auspices of the Pinehurst Jockey Club, brought to a close a very enjoyable and successful equestrian season.

Great crowds of spectators were on hand for the morning and afternoon performances each day, among whom were many who have played prominent parts in the riding, polo and racing events of the past season. The refreshment stand, operated by the Moore County branch of the American Red Cross under the direction of Mrs. Edith Mudgett of Southern Pines, was a particularly well patronized spot, and the organization added materially to its funds through the sale of cigars, cigarettes, drinks and programs. Among those who were seen assisting Mrs. Mudgett were Mrs. W. D. Hyatt of Toledo; Miss Frances Johnston of Pittsburgh; Miss Mary Grace O'Brien of Detroit; Mrs. Verner Z. Reed of Brookville, L. I., and Mrs. Richard Tufts of Pinehurst.

The entry list this season was considerably larger and more varied—due to the inclusion of many new classes—than that of any previous show. The presence of many horses of championship calibre in the majority of events made the task of judging an exceedingly difficult one, but those in charge, Garner West, J. F. Devine and Peter Rhodes, reached satisfactory settlements, which met with the approval of those in attendance.

Much of the credit for the success of the show must go to Charles W. Picquet, under whose capable handling all arrangements for the affair were made.

The ring supervisors were Col. G. P. Hawes, Nat S. Hurd, Major W. E. Burr, Gordon Cameron and Verner Z. Reed. Officers of the Pinehurst Jockey Club are Leonard Tufts, president; W. H. Cane, vice-president, and Charles Picquet, secretary. Stewards of the club are Leonard Tufts, Nat S. Hurd, H. N. Dingley, W. H. Cane, H. G. Waring and P. S. P. Randolph.
