

## Horse Show Is Successful

The mellow flavor of  
"Canada Dry"  
is an Indian summer of delight

That day in autumn a little milder, the sun a little softer on the cheek, is like the mellow flavor of "Canada Dry."

Delicious and refreshing as some rare old wine, giving off a subtle, yet delightful bouquet, a taste which wins the connoisseur's nod of approval, that is the thrill of drinking this wonderful ginger ale.

Made from pure Jamaica ginger and other high-quality ingredients, blended and balanced with care, carbonated according to a secret method, "Canada Dry," like the aristocrat it is, is the champagne of ginger ales. It is drunk the wide world over; Paris, London, New York. Countless homes and great hotels in this country and Canada serve it.
