*"You can't buy  
this five year old Packard!"*

FIVE years ago George A. Whiting, President of the Standard Wholesale Phosphate & Acid Works, Inc. of Baltimore, bought a Straight Eight Packard. Today, after 154,450 miles of driving, its engine is as good as new.

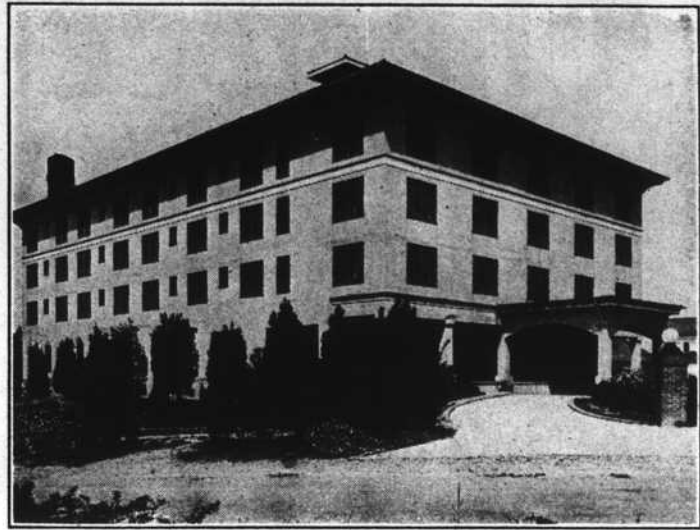

Mr. Whiting says, "This is largely due to the fact that

'Standard' Motor Oil has been used exclusively and regularly."

"Standard" Motor Oil is made from especially selected crude petroleums. This is why "Standard" Motor Oil is an *oilier* oil — an excellent lubricant. It is sold by the Pinehurst Inn garage and by all leading dealers.

IT is always a delight to stop at The Jefferson, whether you are traveling North or South, for in addition to its inimitable atmosphere, there is its excellent cuisine and service. Then, too, Richmond itself is a charming city to visit, offering historic shrines and varied entertainment. The Jefferson offers golf and other privileges.
