*Its coolness
 and vigor suggest the
 health of wind-blown
 summer days*

SOMEHOW the stimulation, the health, the keenness of a glorious summer day seem to be caught in its sparkling, crystal depths . . . cooling and refreshing . . . subtle and delightful.

Taste "Canada Dry." See for yourself what a marvelous flavor it has. Notice how stimulating it is. Note how its exhilaration matches the zest of pleasure of being outdoors.

And then remember that this fine old ginger ale is the choice of the healthy, sun-tanned, lithe and active men and women of this country. Truly, it is the sportsmen's beverage, for in

it you find the heritage of sport itself, unmatched excellence. Order it today.
