Out the
Midland Road

When Mr. Batson built his house out the Midland Road a couple of years ago he was far out.

Now he is surrounded with fine homes.

Dr. Jones is now about to build a house on the north side of the road and that is the beginning of another building movement in that section.

Good time to secure a building site in that quarter.

Reflect a minute as to what another two years will do out that way.

Then see
