LOWEST COMPRESSION GREATEST DISTANCE

By a newly perfected method of winding the center under greatly increased tension, Wilson has built a ball of uniformly lower compression than has ever been produced. Rigidly tested for compression, for roundness and for size, this new Hol-Hi has that rare quality of resilient, extra hardness for which pros are always feeling. The click will tell you it's a great new ball. The long, unwavering flight will prove it beyond all question.

Price 75c. Dimple or Mesh
