

## THREE IN JAIL ON FAKE BILL COUNTS

Trio from Durham Arraigned in Passing of Bogus Money at Aberdeen and Southern Pines Stores

Bail of Charles Olive, White, Fixed at \$3000; That for Two Colored Men Accused Set at \$500

TRIAL AT MARCH TERM

(By Staff Reporter)

ROCKINGHAM, N. C., Nov. 27—Charles Olive, white, William King and Andrew Williams, colored, all of Durham, were arraigned here today before United States Commissioner Carl McLean and held for the March 4th term of the Federal Court on charges of having had possession of, and passing counterfeit silver certificates.

A bond of \$3,000 was set on Olive and bonds of \$500 each on King and Williams. The money was not forthcoming and U. S. Deputy Marshal Henry Stallings took the men to Troy, where they were fingerprinted and tossed into stir.

The government charges the men passed bogus ten-dollar notes on merchants in Southern Pines and Aberdeen on Saturday. Dorn of Southern Pines turned two counterfeit bills over to the police, and Pender, Bryan, Allen, Matthews and McDonald in Aberdeen each had one of the phonies.

Williams was detained by Tom Lassiter, clerk in Pender's store in Aberdeen Saturday evening, when the colored man proffered a ten dollar note in payment for groceries. Lassiter was suspicious of the greenback, and blew the whistle.

Federal Inspector Earl Ritenour, Charlotte, arrived shortly after, and with the aid of Aberdeen police put Williams through a questionnaire which resulted in a Sunday trip to Durham and the apprehension of Olive and King. The colored men said that Olive drove them from Durham to Aberdeen Saturday and supplied them with the bogus notes which they passed on storekeepers during rush hours. Olive denied the story.

He declined to comment when Federal officers confronted him (Continued on page two)

## Outstanding Cattle To Be Shown Today

A cattle show including four of the most famous Ayrshire herds of the country will be seen at the Carolina Riding Ring this afternoon at 1:45. The show is being held in connection with the annual meeting of the Carolina-Virginia Breeders' Club.

Among the Pinehurst Dairy herd there are five cows that produced over 14,000 pounds during the year.

Everyone is invited to attend the show.

## FIRE DESTROYS BARN ON CROCKER ESTATE

A fire early last evening completely destroyed a small barn on the C. T. Crocker estate, Pinewild Farm on Linden Road. The Pinehurst Fire Department responded to the alarm but by the time they had heached the scene, flames had reached the scene, flames roughly built structure. A cow which had apparently "turned in" for the night calmly walked out and hugged the outer coolest edge of the fence surrounding the building as it blazed away. A number of chickens also saved their own lives by walking out.

## The WORLD of TODAY Finns Give Conciliatory Reply

By the Associated Press

Finland last night gave a soft answer to the wrath of Russian demands. The little neutral country told the Soviets that on the condition Russian troops also withdrew, Finland would withdraw her own troops, which have been stationed on the border for weeks. The note, sent to Moscow last night by the Finnish foreign minister, answered the Soviet protest which charged that Finnish artillery had killed four Red soldiers and wounded nine others on the Finnish border north of Leningrad. The Soviets asked that Finnish troops be drawn back 12 to 16 miles in that area.

Diplomatic observers interpreted the Finnish answer as one designed to give the Russians opportunity to resume negotiations which were broken off by Finland on November 13.

## Merchant Cruiser Sunk; 280 Lost

The story of a blazing sea battle in which the pocket battleship Deutschland and another German raider sank the British armed merchant cruiser Rawalpindi off the southeast coast of Iceland, was told tonight in a vivid Admiralty communique. Fighting until riddled by shell, the Rawalpindi went down with the colors flying on November 23, the Admiralty said.

British warships are searching night and day for the swift, heavily armed raiders which eluded British cruisers in the dark and storm, after sinking the 16,697-ton Rawalpindi with an estimated loss of 280 lives. Only 17 members of the crew were saved. The Admiralty told how the Rawalpindi, on contraband patrol duty, ignored a warning shot across her bow and was then blasted by two 11-inch guns at a distance of 10,000 yards from the Deutschland.

It is the one town of the British Isles that is known by all because of golf. There is a very old, and very worthwhile University in St. Andrews, and an ancient Cathedral, and the town has a remarkable political and ecclesiastical history. But modern generations know St. Andrews as the center of golf.
