MISS HELEN DETTWEILER

PINEHURST SCOREBOARD by ROBERT E. HARLOW

Miss Helen Dettweiler, latest of the lady golf pros, motored into Pinehurst last night and checked into The Carolina Hotel, with her friend, Miss Elna Lombard of Augusta.

"Imagine," said Miss Dettweiler, "how nice it is to be paid for doing what I like to do."

L. B. Icely, president of the Wilson' Sporting Goods company of Chicago, is a man of wide vision in the golfing business, who for a number of years has employed prominent women golfers to do missionary work for golf and for his company.

It was Mr. Icely who placed Mrs. Helen Hicks Harb in a golf promotional position, and later he employed Mrs. Opal Hill for similar work. The latest to join his staff of women experts was Miss Dettweiler, who signed up on May 10, last.

Miss Dettweiler expresses herself as being more than happy in her new work. She has averaged three exhibitions per week, and appeared in 11 states. During the winter she will do promotional work at the golf centers of the South, returning to Pinehurst in the spring.

In an interview last night at Batch's, where Miss Dettweiler stopped for a bite after driving from Augusta, Scoreboard and the lady pro covered many golfing subjects.

Miss Dettweiler won her first tournament start as a professional, the Western open at St. Louis, last summer. She defeated Miss B. Barrett, defending champion, 4 and 3 in the final. Mrs. Opal Hill and Mrs. Helen Hicks Harb were starters in this event.

There are more than a dozen women professionals, and about six of these are good enough players so they would show up if prize money was set up for them to play for. If prize money was established for the ladies, it is likely that a number of the leading women amateurs would join the professional ranks. The only reason for a woman player to turn professional now is to obtain a position with a golf company.

The leading amateurs among the ladies would be perfectly willng to compete with the professionals in open competitions.

Since turning professional Miss Dettweiler has broken eight course records. A 74 over a municipal course in Baltimore is her lowest score.

Mrs. Babe Didrikson Zaharias, wife of the Colorado wrestler Tomorrow and Tuesday, mat- known as "The Weeping Greek from Cripple Creek," is very happy, and has written Miss Dettweiler, advising her to get married. Mr. and Mrs. Zaharias are lving in a new home in Los Angeles, and plan city of Detroit from the late H. to visit the Eastern golfing resorts before very long.

Among the interesting people Miss Dettweiler has played with winters in Pinehurst, and it was recently were Dr. William Lyon Phelps, professor of literature at constructed by Donald J. Ross.

74-71-145 The first tournament of the 72-73-145 73-72-145 Sandhills amateur - professional 72-73-145 golf league, scheduled to start 72-73-145 on Monday at the Pine Needles 71-75-146 Club, has been set back until 74-73-147 Tuesday, to avoid conflict with 74-76-150 the weekly Tin Whistle Club tournament, which was postponed yesterday, until Monday.

When the regulations for the league were drawn up it was pointed out that in the event of a postponement of a Tin Whistle tournament scheduled for Saturday, it would be played the following Monday, which would move it into conflict with the amateur-pro league. It was decided that in such a situation, the amateur-pro would be played on Tuesday.

This is a wise rule, as a number of Tin Whistle members are signed to play as amateur partners of professionals in the Sandhill league.

It now seems certain that each professional entry will have his full quota of amateur partners.
