## BIG CROWD EXPECTED AT OPENING GAME OF POLO CLUBS TODAY

Forecast is for Good Weather, as Pony Sport Again Takes its Place on Sandhills Competition Program

Eagerly awaited by polo followers, the formal opening game in what is to be a revival series, between Sandhill Polo Club and Blind Brook team, takes place on No. 2 field at Pinehurst this afternoon, starting at 2:30 p. m. Expectations are that "automobile row" at the game will stretch a long way around the field, for there is every indication that the weather will favor the event, which has been twice postponed.

Earl Shaw and Merrill Fink, who have ventured to revive the pony pastime at considerable expenditure of money and time, deserve the most thorough-going support of all the public. When polo was a vogue in Pinehurst in past days the sport gained wide publicity for the Sandhills, the press services carrying reports of the games, and sports editors playing up the contests in their columns. And this can all happen again.

So it behooves sports fans, and Sandhill folks in general, to get back of the polo clubs by attending the matches, and help in again making the games a big attraction for the resort section. It means not only added sport of an extremely spectacular and exciting type, but it also means added business.

Intensive workouts over almost a month have sharpened both riders and mounts, and the opening skirmish is sure to find the players out for individual glory, and riding and hitting all they know.

All the players today are experienced mallet wielders, and the spectators can be assured of an evenly balanced and fast exhibition. The refereeing will be done by Col. George P. Hawes, who is a very capable official, with W. E. Baker acting as timekeeper.

The lineup:

Blind Brook Club  
Henry Gibson Barnard Jr.  
Fred Wilmshurst  
Merrill Fink  
Captain Dave Erskine

Sandhills Polo Club  
R. B. Green  
B. R. Green  
Earl Shaw  
Captain Paul Miller

## Britain Rejects U. S. Mail Removal Protest

LONDON, Jan. 20—(AP)—Flatly rejecting the United States protest against the removal of American mail for censorship the British government said there was clear evidence of an organized traffic in contraband, between German sympathizers in the U. S. and Germany. The rejection was based on the contention that a belligerent has the right under international law to make certain that ocean going mail bags do not contain contraband.

**WEATHER**  
Partly cloudy and not quite so cold Sunday. Monday partly cloudy.

### POLO TODAY

See you all at the polo game.

Polo will be played today according to the predictions of the weatherman, for it will be clear and the temperature will be rising.

Earl Shaw and Merrill Fink deserve the support of the Sandhills today when they bring the sport back to Pinehurst.

We may expect some good contests in Pinehurst this season provided proper support is given.

Remember the hour. It is 2:30 p. m. today.

### SANDHILLS GOLF LEAGUE

The amateur-professional tournament, second on the program of the Sandhills league, will be played on Tuesday. The Tin Whistle Club, which furnishes amateur partners for a number of the professionals will be engaged in their own weekly tournament, postponed from Saturday, on Monday, and according to the regulations of the league, this action moves the amateur-pro forward one day.

The first event of the amateur-pro league was a big success. Out of a possible 30 pairs in the opening event at Pine Needles, 28 played. It is expected that on Tuesday a full roster will play over the Mid Pines course.

The amateur-professional league should be given every bit of support possible from every club in the Sandhills. It will lead to some entertaining and interesting competitions.

### NAMES DESERVE RESPECT

There are rumors that the horse show to be put on in Southern Pines on February 23 at the Southern Pines Country Club will be called the Southern Pines Horse Show. This is right and proper. Pinehurst horsemen will unquestionably support it. Junebug and Bill Tate will win their share of the jumps, without a question, and will probably provide one of the best "acts" in the show. At least these boys are in sufficient demand to indicate they are one of the best horse acts in this section.

Every sportsman should support every worthwhile event in the Sandhills, regardless of where it is held, or the name by which it is called.

And by the same token, events which have been associated with Pinehurst should retain the Pinehurst name.

### THE ASSOCIATED PRESS

At a meeting in Chapel Hill Thursday, attended by Associated Press franchise holders in North Carolina, Scoreboard represented the Pinehurst Outlook, recognized as the tiniest daily newspaper in America having both an Associated Press franchise bringing in news via wire and an engraving plant.

As far as the Associated Press is concerned the Pinehurst Outlook is entitled to the same protection on news breaks as the New York Times, or any other of its 1,400 clients.

It cost the A. P. \$5,000 per day to bring in the European war news during the first month of the war. Since then radio short wave, censorship and cable saving methods have reduced the cost more than half, but the bill is still a large one. The A. P. has 170 staff correspondents covering the European war, besides adequate staffs in the Orient.

Gathering the news of the world is only one phase of the activity of the A. P. In the New York laboratories, methods are being developed for transportation of news, and photographs by new machines which will astound the world when made public. Sending 1500 words a minute around the world is one of the developments.

## CHURCHILL APPEALS TO NEUTRAL NATIONS

He warned that the neutrals would be at the mercy of Germany and Russia unless they lined up with the Allies.

## DR. JUDD TO ANSWER QUESTIONS ON FAR EAST AT LECTURE

Speaker at Forum, in Pinehurst Country Club Monday, Will Talk on War Being Waged Between Japan and China

The Forum Monday evening at the Country Club, at which Dr. Walter H. Judd will speak on "What is Behind the Conflict in the Far East," will start promptly at 8:30 in order that Dr. Judd may make the 11:50 train south.

The biggest advantage a Forum has over a radio address is, that at the Forum you are in a position to ask questions of the speaker, which is impossible to do to the voice coming out of the radio in your own home. For this reason there will be a period set aside at the end of Dr. Judd's talk for the purpose of discussion. When he spoke at Duke University last year, the audience kept asking questions for two hours after the scheduled end. The time-table of the Seaboard, Ltd., however, does not coincide with a discussion of such length on Monday evening.

If there are any questions on Sino-Japanese matters that have been puzzling you, and you wish to make sure they are answered by Dr. Judd, they may be handed in before the beginning of the lecture.

## POPE CALLS ACTION OF PRESIDENT MOVE 'AGAINST GODLESS'

WASHINGTON, Jan. 20—(AP)—Pope Pius XII, in replying to President Roosevelt's message that he was sending Myron C. Taylor as a personal representative to the Vatican, praised the action, and revealed that he could see but "slight probability for the cessation of war so long as the present state of the opposing forces remains essentially unchanged."

The Pontiff called the President's action in appointing Taylor as "an exemplary act of fraternal and hearty solidarity in defense against the 'chilling breath of aggressive and deadly, godless and anti-Christian, tendencies, that threaten to dry up the fountainhead whence civilization has come and drawn its strength."

### PHARMACISTS BOWL

The entire force of the Carolina Pharmacy was among the many bowling at the Amusement Center last night. Apparently the doctors seem satisfied that bowling is a health game. "Dr." Viall and "Dr." Cole were among those enjoying the sport.

## DEMARET AND GOGGIN TO MEET IN FINAL OF SAN FRANCISCO GOLF

Sub-par Rounds Mark Semi-Final Battles in \$5,000 Tournament; Hole in One by Metz is Highlight

SAN FRANCISCO, Jan. 20—(AP)—Charging home in par shattering drives, Willie Goggin, and Jimmy Demaret became finalists today in the \$5,000 match play tournament. The two survivors of a 200-plus starting field will meet Sunday in a 36 hole final.

Goggin crashed through his semi-final with a 2 and 1 victory over Craig Wood, while Demaret polished off a former champion, Dick Metz, 4 and 2.

Both winners were three under par when their matches ended. Goggin was one down to Wood at the ninth, but fired four birdies at his rival on the incoming stretch to take the lead at the 11th. He never relinquished it.

Demaret, after holding a one up lead three times on the first nine and rounding the turn one up, chalked up three birdies on the back nine to win on the 16th.

A hole in one was scored by Metz in beating Horton Smith, one up, in the quarter final. He used a four wood on the par three 200 yard 14th hole to square the match, and he went on to win at the 18th. He had been three down at the 11th.

Demaret worked into the semi-final with a 3 and 2 win over Jimmy Hines, while Goggin bagged his third big name victim in defeating Open Champion Byron Nelson, 3 and 2. He had ten one putt greens.

### LITTLE'S AVERAGE 71.07

LOS ANGELES, Jan. 20—Lawson Little is leading for the Bing Crosby trophy which goes to the golfer compiling the low aggregate score in the 12 rounds of medal play on California's golden golf trail. Little's average for 12 rounds is 71.07 per round. Clayton Heafner, Linville, N. C. and Jimmy Demaret are tied for second with 71.4. Scores from the Los Angeles and Oakland 72 hole opens, and the 36 hole qualifying round at San Francisco, figured.

The cold wave struck a heavy blow at truck and citrus crops.

There was ice skating in southern Louisiana for the first time in history.

Lower temperatures were predicted for much of the East and South today.
