PINEHURST EVENTS WILL BE FEATURED IN STATE PUBLICITY

Robert Thompson, Taking Over Press Post at Raleigh, and Guest Here. Promises Liberal Mention of Sandhills in Book-lets and on Radio

Robert Thompson, Raleigh, secretary to Governor Hoey, who on Thursday of this week will become publicity representative for the state of North Carolina, is a Pinehurst guest, along with William Sharpe, who is leaving the state press post to publish the Winston-Salem Thursday, a local weekly newspaper.

Mr. Sharpe has been publicity man for North Carolina for a number of years, and recently Herb Graffis, who sits at a desk to which is mailed publicity releases from every state in America, said that Sharpe of North Carolina was the best state press agent in the business.

Mr. Sharpe, Mr. Thompson, Richard S. Tufts and Robert E. Harlow went into a huddle with the high powered state press representatives in the Carolina Hotel. It was allowed all around that a movement to build up polo here would be a good thing, and Mr. Thompson will join in the campaign. He will return here Sunday for the Sandhills vs Camden match.

The state department of conservation and development, under which the press bureau operates, will publish a new edition of the state booklet which covers the resorts of North Carolina. Pinehurst will be given liberal space in this publication. Mr. Thompson will also work Pinehurst incidents into broadcasts, time for which has been contracted by the state.

Mr. Sharpe and Mr. Thompson stated that among the Sandhills activities in which they were keenly interested as state publicity experts were the campaign to establish polo, the Steeplechase meeting, the Moore County Hounds, golf, harness horse training, horse shows and visits of prominent persons.

A. T. (Hump) Morrison Suffers Slight Stroke

Friends were sorry to hear that A. T. "Hump" Morrison suffered a slight stroke Tuesday morning, and is confined to his bed. Mr. Morrison has been troubled with high blood pressure for some time, and the stroke was brought on by over exertion.

Mr. Morrison and his wife and daughter are spending their first season in Pinehurst. "Hump," as he is known by his associates, is the trainer of the Morrison stable, which is quartered at the Pinehurst race track this season. According to his physician Mr. Morrison's condition is not critical, and he is expected to be up and about in a few days.

ORTON PLANTATION, FAMED OLD MANOR, IS FORUM TOPIC

Many of Pinehurst's perennial visitors already know Orton Plantation, which is to be the subject of the talk and pictures at the Forum tomorrow evening. For those who have not seen Orton, here are a few facts:

The residence at Orton, built in 1725, is considered a masterpiece of colonial architecture. It is still kept in its original style, and the addition made since the house was first built has in no way detracted from its beauty. It is so well preserved that it is still used as the winter residence of its present owner, J. Lawrence Sprunt.

The most famous lord of this manor was "King" Roger Moore, who was so called because of his fabulous wealth, land holdings and stately bearing.

Orton is located just below Wilmington, in that section of North Carolina referred to as the Cape Fear region. The present plantation has incorporated within its boundaries two other plantations. A short distance away is the site of the colonial governor's palace, where the first armed resistance to the stamp act of 1766 occurred.

For further details, come to the Forum tomorrow night.

The WORLD of TODAY

FINLAND ISSUES CALL FOR HELP

By the Associated Press

HELSINKI, Feb. 13—Finland's supreme command declared tonight that the 13 days' struggle in the snow of the Mannerheim line surpassed in intensity even the most strenuous battle of the world war, and proclaimed Finnish resistance still unbroken, but called on the civilized nations of the world for quick help.

The statement of the military headquarters climaxed an announcement of Finnish counter attacks which had resulted in the puncture of all strategic forts occupied by the Russians during the furious struggle.

With it, too, came the news of new and savage attacks by Russian bombers on cities behind the lines.

BILL ADDS TO FINNISH LOANS

WASHINGTON, Feb. 13—By a vote of 49 to 27 the Senate today approved legislation to make additional loans of 20,000,000 dollars each to Finland and China. The bill passed over the protest of a group which contended that the action was an "entering wedge" for later loans to Great Britain and France. The bill now goes to the House.

An army of a million men is ready to move to any front in the Balkans or the Caucasus.

RYDER CUP TEAM CRUSHES AMATEURS

The United States unemployed Ryder Cup team of professional golfers crushed the Texas amateur talent 26 to 4, in a charity match yesterday at Dallas Country Club. Singles and fourball matches were held, and even the non-playing captain of the pros, Walter Hagen, had a hand in humbling the Lone Star state's amateurs, considered "some pumpkins" in the national simon-pure league.

Thirteen members of the squad of the Pinehurst girls basketball team was an unlucky number for the girls of High Falls, who lost last night in Pinehurst gym, 42 to 8. It was the 12th straight win for Pinehurst girls. The boys lost 20 to 12.

Pinehurst plays Southern Pines Thursday, and Carthage Friday, both away. Five games remain on the schedule before the Moore county championship starts, February 29.

Dog owners are urged to examine the 27 classes, when the list is published, and if their ped puppy fits into one, to give him a chance to win a ribbon.

J. T. AND BING HUNTER WITH NET SCORE OF 66 WIN FEBRUARY EVENT

Father and Son Combination Tallies 7 Under Par to Capture Best Ball Golf Feature at Country Club

James Hunter and Bing Hunter, father and son, of North Adams and the Carolina Hotel, Pinehurst, won the 36th annual February tournament at the Pinehurst Country Club yesterday with a net score of 33-33-66. James played from a handicap of five and Bing from 12 strokes.

The family paired up exceptionally well.

Victory was probably cinched when at the 14th hole James, who had hit his second stroke to the edge of the green, holed out for a birdie three, giving his team a net two on a par four hole. This put the combination seven under par and they coasted to a two stroke win over the field.

After a five at the opening hole, James played the second in four for a net three. A par at three was followed by net fours at the par five 4th and 5th. At the fifth Bing obtained a par five after being in two bunkers. He exploded from the second one close to the hole.

Out in 33, Bing got par fours, at 12 and 13, where he had strokes. He exploded from a bunker at 18th and holed in one putt. Then James made that deuce at 14, and the tournament was over.

Clifford Sloan of Pine Needles and Howard G. Phillips of Pinehurst were second with 35-33-68.

The winners won fine watches, the second pair silver plates. Fourteen pairs competed.

Net card of winners:

Out	534 443 433-33

MARK HOFFMAN ANNOUNCES PROGRAM FOR HIS RECITAL

Concert Pianist Will Appear in Renditions of Masters at Mid Pines Club Monday Afternoon

Mark Hoffman, concert pianist, will appear in a recital at the Mid Pines Club on Monday afternoon next, at 3 o'clock.

Just a year ago Mr. Hoffman came to the Sandhills with the highest recommendations, but this year he returns as a friend and at the request of his hearers demanding another performance.

Miss Florence Campbell is responsible for bringing Mr. Hoffman, and explains that the popular price asked for the recital is possible because Mr. Hoffman wishes to be known to music lovers through the south, to make friends for the Conservatory at Greensboro College, which he directs. Following is his program:

Paganini Variations, Brahms; Scherzo in C Sharp Minor, Chopin; Nocturne in G Major, Chopin; Ballade in G Minor, Chopin; Tango Americaine, J. A. Carpenter; Sighs, on the Maiden and the Nightingale, Granados; March Wind, Alkan-MacDowell.
