MEMBER 10 YEARS, SIBLEY WINS HIS FIRST WHISTLE PRIZE

Teamed With W. H. Watt, Pair The With Harlow and Murphy For First Place in Bestball Event With 4 Up On Par.

What might be denoted as a Tin Whistle "maiden" won yesterday in the bestball of pair vs. par competition when J. R. Sibley of Rochester, N. Y., a member of the club for ten years, won his first prize, in partnership with W. H. Watt.

Mr. Sibley and Mr. Watt were tied for first place with George D. Murphy and Robert E. Harlow, printers, publishers and golfers.

These teams finished four up on par. Mr. Sibley and Mr. Watt played number one course, and with a net score of 66 were four up. Mr. Murphy and Mr. Harlow, playing number three course, also had a net card of 66 to finish five up, but this course calls for a one point penalty, reducing this pair to four up.

There was a tie among three teams for third place. These were A. C. Aborn with W. D. Eaton; G. W. Dodd with I. C. Sledge and C. A. Sloan with C. A. Warren. These teams were three up on par. Mr. Dodd and Mr. Sloan played number one, the others, number three.

Forty-eight players competed. Summary will be published Tuesday.

100 SCOUTS ATTEND ANNIVERSARY WEEK PROGRAM OF EVENTS

Approximately 100 boys, representing Boy Scout troops from Southern Pines, Pinehurst and Carthage, attended the anniversary week show held at the scout playground in Southern Pines yesterday.

First prize award for the best Boy Scout display of Moore County went to Troop 4, Southern Pines. The exhibit, which was placed in Merrill's Pharmacy, consisted of a model camp, which was outstanding. It was composed of tents, signal tower, waterfront, a bridge, a diving board, camp fire, a spring and trees. Ben M. Braden is scoutmaster of the troop, which also led in the scout contests.

Second prize went to Father King's Troop 3, of Southern Pines. Pinehurst display received honorable mention.

AMATEUR-PRO MONDAY

The final tournament in the Sandhills Amateur-pro league will be played at Pinehurst Country Club Monday.

POSTPONE GOLF AGAIN

HOUSTON, Feb. 17 (AP)—Due to continued rain, western open tournament officials ruled the River Oaks course unplayable today and reduced the event to 54 holes instead of the original 72.

An 18 hole qualifying round will be played Sunday. The low 50 professionals and ties and the low 22 amateurs and ties will play 36 holes Monday to complete the tournament.

REICH HINTS REVENGE FOR BRITISH RESCUE OF 300 ON NAZI SHIP

By The Associated Press BERLIN, (Sunday) — Berlin newspapers today hinted that the Nazi Government might seek revenge for the attack by a British warship upon the German steamer Altmark in a placid Norwegian fjord, and the rescue of 300 British merchant seamen, after a hand to hand clash aboard the prison ship.

Five German seamen were reported killed during the struggle, after the German craft took refuge in Gjessingfjord in neutral Norway.

Norway protested to the British government, and has asked the return of the prisoners, compensation, and in future, respect for Norwegian territorial waters.

Official quarters here took a grave view of the act.

"The crime in Norway presents us with an entirely new state of affairs in war policy and in war technique, the effects of which can not now be foreseen in the slightest degree," said Adolf Hitler's now newspaper.

"If old idiots and tiny criminal minds were not at the helm in England, then they would know that Germany has the habit of striking back."

Checker Play Finals To Be Tomorrow Night

The final matches of the Moore County Checker tournament, scheduled to wind up at the Amusement Center last night, will be held tomorrow night.

Emerson Humphries, Frank Dupont and Carl Recor are finalists. Humphries will play Dupont to decide who goes against the champion, Recor.

Feature of last night's play was a match between Frank Dupont and E. L. Byrd. After three and a half hours of moving and skull tapping, Dupont won 3-2.

DUKE TAKES LEAD

Laurence Leonard, sporting editor of the Greensboro Daily News, and Mrs. Leonard, arrived in Pinehurst late last night with the information that Duke had taken permanent possession of the Southern Conference basketball lead with a 28 to 27 victory over Washington and Lee University last night at Durham. Mrs. Allen Ostrander announces a duplicate bridge to be held in the ballroom and card rooms of the Holly Inn on Sunday evening, March 3. The event will be an informal combination of buffet supper and sweepstake duplicate. Cash prizes to the amount of \$50 will go to the lucky winners. Sandhills' bridge players have voiced their pleasure at Mrs. Ostrander's return to Pinehurst. She is passing the remainder of the season at Kenspur, the guest of Colonel and Mrs. George Percy Hawes Jr. She is more familiarly known as Daisy Wisdom, former bridge hostess at The Carolina. No doubt, a happy gathering of the bridge clan will take place at this delightful affair, scheduled for two weeks from today.

Then a second note from the Holly Inn comes in, telling of a dinner-dance, which promises to be a gay affair. It is scheduled for next Saturday, Feb. 24 at The Holly. A highlight of the affair will be the scintillating rhythm of Skipper Bowles and his University of North Carolina orchestra, whose theme is "The Best in Sweet and Swing." RUSH OF ADS.

The Outlook was caught off base last night. Although we are publishing eight pages today, a rush of late advertisements has compelled us to curtail news matter far below the number of columns it is our policy to devote to such matter. We wish to thank advertisers who gave us permission to run their copy in Tuesday's paper instead of today.

ROBERT LAMBERTON, PHILADELPHIA MAYOR, HOLLY INN GUEST

Robert Lamberton, Mayor of Philadelphia, arrived at the Holly Inn yesterday for a few days golfing with friends from the city of homes. Russell C. Cooney, Edward Kelley and Palmer Watson complete the party.

Mayor Lamberton has been coming to Pinehurst for a number of years. A graduate of the University of Pennsylvania college and law school, he very quickly made a mark as an attorney and later as a Judge.

At Pennsylvania he played on the football team, at guard, during the days when Big Bill Hollenbach, a frequent Pinehurst visitor, was fullback.

Last official act of Mayor Lamberton before coming to Pinehurst was to hand over a check for \$200,000 to John D. M. Hamilton, chairman of the Republican national committee, which the city of brotherly love bid to take the big political show away from Chicago. Mayor Edward J. Kelly of Chicago could do no better than promise the Republicans the windy city would take care of expenses. He estimated these would be about \$175,000.

Mayor Kelly pointed out that the Democrats had awarded their convention to Chicago for a guarantee of \$125,000.

The Republican date was set to start Monday, June 24th, at the Municipal Auditorium.

C. Maness, 529; Jerry Ashton, 493; Joe Ripa, 487 and 500; Del Ammott, 472. The winner won \$10, and second man \$6. Third and fourth won \$2 each.

MANNERHEIM IN APPEAL

Marshal Baron Mannerheim, declaring foreign help had arrived in Finland and continued to arrive, last night appealed to the Finnish army on the Mannerheim line to stand firm at their few defenses.

Colorful Contest Is In Store For Public TEAMS FAST

Camden's polo team plays Pinehurst at three o'clock this afternoon on the number two field in what should be a colorful spectacle provided the weather man is kind and good. Early Sunday morning when The Outlook was being put to bed, the prospects were only so-so.

This is the second in a series between Camden and Pinehurst. The opening game, played in Camden early this month, was won by Camden, 7 to 6. It so happened that a pony, Little Lance, kicked the winning goal, thereby attracting national attention. Ripley is making a "Believe it or not," from the incident.

Regardless of today's weather, Earl Shaw and Merrill Fink, who are handling the Pinehurst polo club announce that Sunday polo will be a regular attraction during the remainder of the season, when many a sunny afternoon will greet the players, the ponies and the gallery.

With a break in the weather the number two field will be surrounded by automobiles and the Tally-Ho will arrive from the Carolina with pink coated trumpeter blowing automobiles out of the way of the handsome four-in-hand.

Among the spectators will be the largest gathering of North Carolina sporting editors ever assembled in Pinehurst for one event. A special program has been made out for them and their wives.

Pinehurst will present a strong side, and hopes to avenge the earlier defeat and bring the series to one game each.

The public is invited to attend the Sunday game in Pinehurst, for which a nominal fee of fifty cents per person is charged.

Following the game the players will be entertained by Col. and Mrs. George P. Hawes.
