**ROTARY IS TOLD OF STATE EFFORTS TO ASSIST JOB SEEKERS**

SOUTHERN PINES, March 1.—John E. Sawyer, senior interviewer of the Sanford office of the North Carolina Unemployment Commission, spoke briefly to members of the Southern Pines Rotary Club, at their weekly luncheon meeting yesterday noon in the Country Club, concerning the activities of the state unemployment service.

Speaking of the surplus of unemployed labor in Moore County, Mr. Sawyer cited a few figures to show to what extent his office was working to lessen the unemployment situation in this county.

Since the inception of the state office in Sanford in 1935, he stated approximately 9,000 individuals have registered for employment in Moore County, with a total of some 900 still listed and the number increasing every day. He later stated that approximately 1,100 registered from this county were given employment during 1939.

Mr. Sawyer drew rather a dark picture when he explained that in his opinion the unemployment crisis is largely responsible for the general unrest and spirit of radicalism that prevails throughout the country today. He gave as an example the Townsend movement, and the ultra New Deal advocates.

In referring to the effect the use of modern machinery had to do with the upward swing of unemployment, he pointed out that while this is true to a large extent it was not so of the automobile industry, which is one example of the failure of the machine age to diminish the demand for labor. He explained this by calling attention to the increasing number of persons employed by filling stations and in the building of new highways and their upkeep.

**ARMSTRONG — GARCIA**  
(Continued from page one)

There was vicious in-fighting in the fourth round. The referee warned Armstrong about using his body in pushing Garcia.

Armstrong drove Garcia to the ropes and the crowd booed him for using elbows. They stood toe to toe and banged away at each other's heads. Armstrong continued to push his heavier opponent around the ring. Armstrong won this round.

Armstrong won the sixth round but critics gave the seventh to Garcia. Armstrong had all the best of the eighth round. He staggered Garcia, making the Filipino's knees buckle.

Armstrong chased Garcia all around the ring in the ninth round but punches were about even and the round was a draw.

Both men were fighting at the bell in the tenth round.

**RIGGS IN FINAL**

NEW YORK, March 2.—Bobby Riggs defeated Frank A. Froeling tonight and moved into the final round of the national indoor tennis championship. He will meet Don McNeill in the final.

**SHE SINGS AT DUNES CLUB**

ELAINE SPENCER

Night club entertainment at The Dunes has reached a new high with the present show which features five attractive young ladies, each of whom has an individual act which pleased the audiences at three shows last night. There was a dinner show at nine, an eleven o'clock and a late presentation. This will be the schedule over the weekend.

Patricia Robbins, acrobatic dancer, does the most graceful cartwheels ever seen in the Sandhills. Her timing is something. Dianne sings "Oh, Johnny," and opera; Elaine Spencer is a soothing blues singer, true to pitch and pretty; Moya Gifford knows just how far a Hawaiian dancer can go with confidence—the critics will call it art.

Dorothy Blair, in blue spangles and "pants" does Spanish dances and has a "cute" blonde curl which keeps time with her pattering feet. It is very attractive.

In fact, it is the best floor show seen in the Sandhills this winter, and well worth the attention of metropolitan night club patrons. The five girls do a bang up job of entertaining, and there is always Jerry Mack and his popular musicians to support the talent on the floor in dance or song.

**Stock Market**

NEW YORK, March 1.—(P)—Slipping utilities pulled steels down with them today and most of the rest of the market followed.

Minus signs were far in the majority as the close neared, but some of the coal stocks staged a quiet little rally by themselves. About 600,000 shares changed hands.

**DR. D. BREWER EDDY TO SPEAK AT CHURCH OF WIDE FELLOWSHIP**

Dr. D. Brewer Eddy, secretary of the American Board of Commissioners for Foreign Missions, with offices in Boston, Mass., will be the guest speaker at the Church of Wide Fellowship Sunday at the 11:00 o'clock morning worship hour.

Dr. Eddy, brother of the also famous Sherwood Eddy, comes to Southern Pines and the Church of Wide Fellowship to bring a message on the theme "America Faces Strange Dangers." This message will be particularly timely to all who feel that there is much of actual and potential danger in today's world, and who desire to discover the views of this learned and informed leader in our thought life.

Dr. Eddy's address will be concerned further with the problem as to whether America's policies can be Christian policies. He is in continual touch with Christian missionaries the world over, and from them he has been able to glean greater and more fundamental truth than most of us are privileged of having access to.

**CHRISTIAN SCIENCE**

"Christ Jesus" is the subject of the lesson - sermon at the Christian Science Church, Southern Pines, Sunday morning at 11 o'clock. Sunday School convenes at the same hour. The Wednesday evening meetings are on the first and third Wednesdays of the month at 8 o'clock. The reading room, which is located in the church, is open Wednesday afternoon from 3 to 5 o'clock.

**PINE NEEDLES NEWS**

Top of the annual house party of Mr. and Mrs. C. W. Middleton of Greenwich, Conn., and Knollwood, will arrive at the Pine Needles today where they will be Mr. Middleton's guests for the weekend.

Here for several weeks are Mrs. Joseph L. Merrill of Bronxville and Miss Gertrude Whitmore of Mt. Vernon, who were written up in The New Yorker last summer because of the purchase during a brief stay at the Pine Needles last season of Thunder Boy. It seems that Thunder Boy, an unknown and untried Virginia thoroughbred by Thunderation, standing eighteen hands high, attracted the attention of the young women from Westchester during their visits to the Stonybrook stables, and they bought him on a hunch. Much to everyone's surprise he turned out a prizewinner, making something of a record in his first three appearances. First shown at Squadron A, he tied for the title with Archie Dean Jr.'s Salmo, and in the next two shows, at Harrison and Rockwood Hall, he won the championships.

Mr. and Mrs. Jackson Boyd of Southern Pines were the luncheon guests yesterday at the Pine Needles of Mr. and Mrs. Eliot Cross of New York.

Visitors playing the Pine Needles golf course yesterday were S. Lewis Ziegler Jr., Haverford, Pa.; Byron Clarke, Philadelphia; Guy Crampton, Washington, D. C.; T. T. MacFarland, Nelson P. Ward and Herbert Johnson of Worcester, Mass.; Mr. and Mrs. P. W. Bachman, Syracuse, N. Y., and Mrs. Walter B. Earle, Huntington, L. I.

Arrivals at the hotel include Mrs. William B. Ward and Miss Jane Ward, New York City; Judge and Mrs. N. S. Winnet, Philadelphia; Mrs. E. L. Johnson, Palm Beach; Mrs. J. L. Merrill, Bronxville, N. Y.; Miss Gertrude R. Whitmore, Mt. Vernon, N. Y.; Louis Walker, Richmond, Va.; Mr. and Mrs. R. P. Hapgood, Bradford, Pa., and Mr. and Mrs. Henry Hoyns of Brooklyn, N. Y.

**GIRL SCOUT PROGRAM**

The Pinehurst Girl Scouts are offering the community a gala evening of entertainment with all the trimmings. They will hold a party at the Community Club house on Monday evening at 8 o'clock. Bridge, Chinese checkers and rummy will provide the amusement, with refreshments to follow.

Prizes of all sorts are being donated generously by the local shops. Tickets for the party are on sale for only fifty cents and can be bought from one of the girls or at the Pinehurst Pharmacy and the Carolina Pharmacy. The ticket money will help to swell the Scout funds, which make possible their many activities.

**WANTS BERMUDA**

WASHINGTON, March 1.—(P)—Senator Reynolds (D-NC) drafted today for introduction in the senate a resolution urging President Roosevelt to open negotiations with Great Britain for acquisition of Bermuda, New Providence Island and the Bimini Islands in the Bahamas.

Reynolds proposed that the United States take over the islands as part payment of Great Britain's debt to the United States.
