Marvin Ward Will Play In North-South Open

National Amateur Golf Champion to be Sure Starter in Pinehurst Big Links Event

Associated Press Reports West-erner to be Leaving Seattle by Plane for Tournaments in Florida and Here.

HORTON SMITH PARTNER

Marvin (Bud) Ward, national amateur golf champion, is a certain starter in the North and South open golf championship at Pinehurst Country Club, March 19-20-21, according to an Associated Press dispatch put on the wires last night in Seattle, Ward's home city.

The Associated Press reported that Ward would leave Seattle today by plane for St. Augustine, Florida, to partner Horton Smith in the annual amateur-professional tournament in that city, and would proceed to Pinehurst for the North and South.

Ward also plans to play in the Land of the Sky open in Asheville, and the Bobby Jones tournament in Augusta.

In winning the 1939 national amateur, held in Chicago, Ward defeated Eddie Held in 20 holes, Chris Brinke, 6 and 5; Joe Thompson, two up, Ed Kingsley, 3 and 1, Art Doering, 2 and 1, and Ray Billows, 7 and 5.

In the National Open championship in Philadelphia, Ward finished fourth, one stroke behind Byron Nelson, Craig Wood and Denny Shute, who were tied at 283. Nelson won the playoff.

Ward played in the Los Angeles Open and failed to qualify with 152. He finished at Oakland with 300, failed to qualify for match play in the San Francisco match play, where he scored 152 and played the Bing Crosby tournament in 142. He then returned to Seattle.

\$2,050 RAISED FOR FINNS IN PINEHURST AND SOUTHERN PINES

Pinehurst and Southern Pines residents have contributed more than \$2,050 to the Fighting Finns for Finland campaign. This represents about one-half of the total for this cause sent from North Carolina, according to W. H. Watt, and Struthers Burt, local chairmen.

Mr. Burt returned from New York early this week, with the report that the Finns are in no way discouraged over the war situation, and feel confident of winning with the aid of their friends in the United States. They maintain that one Finnish soldier is worth 50 Russians.

DIMAG LONE HOLDOUT

ST. PETERSBURG, Fla., March 6. —(P)—Joe Damaggio became the lone holdout of the New York Yankees today.

TUSKS OF MAMMOTH

ALBION, Pa., March 6.—(P)—WPA workmen digging in a roadside embankment near here turned up the tusks of a woolly mammoth that roamed Pennsylvania 20,000 to 25,000 years ago, geologists reported today.

The largest section, which WPA workers first thought was a bone or a piece of petrified wood, was seven feet long and looped in a double curve. Further excavation disclosed a 30-inch section.

SCHEDULE PINEHURST HORSE SHOW AT RACE TRACK ON MARCH 26

Sandhill Event Called Off, Settling Difficulties; Nat S. Hurd to Serve as President, and James W. Tufts as Secretary.

The horse show business in the Pinelands has been settled to the satisfaction of everybody.

The Sandhills show has been called off and the 23rd Pinehurst Horse show will be held on Tuesday, March 26th, at the ring at the Pinehurst race track.

Nat S. Hurd will serve as president, and James W. Tufts as secretary. Other officials and committees will be appointed.

Decision to abandon the idea of a Sandhill show was taken after Southern Pines decided to put on a Southern Pines show this year. The event proved a big success.

Discussion then followed as to the holding of a Sandhill show, and it was decided that it would be better to forget about a Sandhill event, and for Pinehurst to continue the show which this season will be the twenty-third annual.

Mr. Tufts stated yesterday that the show would be a one day event and local in character. Details as to classes will be announced within a few days.

For many years since her retirement from the stage Miss Elliott had lived on the French Riviera.

A famous beauty in the early part of the century, Miss Elliott made her last stage appearance in 1920 at her own theatre in New York after 30 years as an actress.

PINEHURST SCOREBOARD

by ROBERT E. HARLOW

Donald J. Ross has made the very excellent suggestion that hereafter when this section of the country is being written about or talked about that it should be designated as the PINELANDS.

He suggests that when events are definitely associated with any one of the units of the community that they should be given the name of that unit, such as Pinehurst, Southern Pines, Pine Needles, Mid Pines, but that in events in which two or more of the units are interested that the name Pinelands would be most appropriate.

The Outlook has considered the word Sandhills as bad publicity, and advised against the use of it, and has favored events being called after the place most involved.

But there are numerous events and activities in which more can be gained when the best effort of the entire community is put behind them, and in such cases the use of the name Pinelands would be just the right word for it. Such enterprises would include a building in which such an event as the Moore County high school basketball championships could be played. These games were a real sporting treat and would have entertained our guests as well as the natives, had there been proper seating arrangements.

Basketball is a thrilling sport, and draws packed houses to Madison Square Garden in New York.

Miss Cline has been in many competitions, including two national championships. She holds the Bloomington Junior and Senior women's championships, and in 1939 qualified in the championship flights of six major tournaments, including the national at Noroton, Conn.

High school basketball players of Moore County were pleased with the excellent arrangements made for the county basketball championship held in Aberdeen. L. J. Murphy, coach of the Aberdeen high teams, was the man who brought the championship to that town, and carried it through successfully. He was assisted by school superintendent L. J. Dawkins and the Aberdeen Lion Club.

Leonard Tufts is planning an Ayrshire cattle judging competition for boys, taking the vocational courses at high schools in Carthage, Hemp, Cameron and many other towns.

These events will be held at the Pinehurst Dairy, where cows from the famous Pinehurst herd will be brought into the ring for the boys to judge.

On April 15th, there will be a sale of cattle, and at this time the best judges from the various communities will be brought together for a sort of championship cattle judging contest.

ROME TENSION HIGH AS BRITAIN DETAINS COAL ON 14 SHIPS

LONDON, (Thursday)—Great Britain's economic warfare command detained 100,000 tons of German coal aboard 14 Italian ships in the tightly guarded reaches of the English channel, prize of a war blockade girding two hemispheres. The cargoes of eight ships had been formally ordered confiscated, and Italy was kept waiting for an answer to her protest against their seizure.

ROME—Fascist officials took a cautious stand in the British Italian dispute on German coal today as tension continued to run high, with at least one attempt at an anti-British demonstration. Police reinforcements guarded the British embassy. There had been a demonstration in Florence yesterday in front of the British consulate.

Liner Queen Elizabeth Ending Atlantic Dash

British Steamer, Largest Afloat, Nears New York After Audacious and Secret Run

NAB NAZI STEAMER

ARUBA, Netherlands, West Indies, March 6.—(P)—The German freighter, Seattle, which sailed Monday night with a lumber cargo, was reported today to have been intercepted at sea, presumably by allied warships guarding the Western Atlantic against German attempts to run the blockade. Reports received here said the master of the Seattle had sent a message reporting his plight.

No mention was made of another German vessel, the Mimihorn, which also sailed Monday night.

Vessel, Costing \$28,750,000, Not Yet Wholly Completed; Will Dock by Queen Mary and Normandie.

85,000 TON SHIP

NEW YORK, March 6.—(P)—The \$28,750,000 Queen Elizabeth, the biggest ship afloat, neared the neutral sanctuary of New York harbor tonight after a secret and audaciously successful run from England across the perilous North Atlantic.

The 85,000 ton vessel, not yet wholly completed, was expected to dock tomorrow alongside the next best in the British merchant fleet, the Queen Mary, and the mightiest of French liners the Normandie.

The Elizabeth began her run for it under conditions of the greatest secrecy, and almost ended it the same way. It was not until late this afternoon that word leaked out here that she was on the way, and an hour or so later this was authoritatively confirmed in London.

This confirmation came only after the liner was judged to be safe beyond question.

On February 22nd Britain announced the Queen Elizabeth was to be moved to a safer port.

RAE SCORES 83 TO WIN OVER MANSFIELD, 86, FOR WHISTLE TITLE

Replay After Tie Takes Place Over No. 1 Course; Loser's Putter Fails Him Several Holes.

Benjamin G. Rae of West Newton, Massachusetts, won the annual Tin Whistles Senior championship yesterday at the Pinehurst Country Club when he defeated G. W. Mansfield, Brookline, Mass., in an 18 hole replay for the title. Mr. Rae was 40-43-83 and Mr. Mansfield 42-44-86. Play was over number one course.

These gentlemen tied Tuesday in the championship with scores of 80, also over number one. They are members of Brae Burn, in West Newton, and play many rounds together.

Yesterday a new putter refused to function for Mr. Mansfield and he three putted four greens. The playoff was an 18 holes medal play and up to the 12th hole the match was level.

At thirteen Mr. Mansfield was bunkered and took six. At fourteen he three putted for another six. Mr. Rae played these holes in five and obtained a two stroke lead. This was enough, but at the long seventeenth, after both players had reached the green in three, Mr. Mansfield three putted again and Mr. Rae got a long one down for a four.

The cards:
Mr. Rae:
Out 464 553 436-40.
In 546 555 544-43-83.
Mr. Mansfield:
Out 446 553 447-42.
In 544 665 563-44-88.
