SOVIET REPUBLIC IN CEDED FINNISH AREA FORECAST IN MOSCOW

Russian Parliament Called for Session March 29; Intervention Fear Restrained Scandinavian Aid to Allied Offer.

REFUSED REQUESTS

MOSCOW — (Friday) — The Soviet parliament was convoked today for March 29, and many observers predicted one of the important items on its docket would be formation of Soviet republic in the recently ceded Finland territory.

FEARED NAZI MOVE

OSLO—Foreign Minister Koht declared in a broadcast last night that Norway and Sweden had refused a last minute request of Britain and France to send troops through Scandinavia to Finland's aid because it was learned that Germany would intervene.

The foreign minister said Britain and France issued feelers on March 2, but made no request until March 12, a few hours before Finland announced she had signed peace.

Norway and Sweden refused the first request on March 2, because of fear that Germany would object. He said 100,000 French and British troops would have been necessary to give Finland help, but would have taken so long to transport with their supplies that their efforts would have been of no avail.

RELIEF TO GO ON

RALEIGH, N. C., March 14.—(AP)—Former Governor J. C. B. Ehringhaus, North Carolina chairman for the Finnish relief fund, said today "the peace imposed upon Finland does not bring an end to the Finnish relief emergency but that the work must go on.

"Surely the hearts of liberty-loving Americans will respond generously to these cries of distress, and North Carolina will wish to be in the vanguard of helpers."

LUSTROUS STARS OF POLO IN ACTION HERE TODAY

CLASS OF HUNTING WORLD IN STEEPLECHASE TOMORROW

HEAVYWEIGHT SCRAP ON SATURDAY NIGHT SHOULD BE BLINGER

Horace Jones, Who Minced up Ham Braboy Recently, Will Tangle With Mat France of Aberdeen; Four Preliminaries.

That Jones boy, Horace, by name, the State Sanatorium porter who made mincemeat out of Ham Braboy at the last boxing exhibition at the Amusement Center, will meet Mat France, colored boy of Aberdeen tomorrow night at the Amusement Center.

As it may be recalled, Horace, at 175 lbs., came out in the fourth round of the ten-round go and put across four shots of lightning voltage—a right to the chin, a left to the chin, one to the eyes and the finishing touch to the ribs—to make Braboy flop to the canvas, where he rolled his eyes like Eddie Cantor in Whoopee, to the knockout count, and then some. The Braboy pounding made Jones the Moore County heavyweight champion. He'll be in that ring Saturday night, ten rounds of leather pushing, unless one of the boys stops the other before that time.

Promoter Myron Barrett promises plenty of action at the Saturday night fisticuff session. Four good preliminary bouts will precede the feature mele.

WEATHER

Partly cloudy, slightly colder on the coast Friday. Saturday fair, slowly rising temperature.

DISNEY, Okla., March 14.—(AP)—Fifty-seven Oklahoma National Guardsmen reached the Grand River damsite today, then turned around and went back to their mobilization point at Wagoner, leaving a handful of officers to carry on Gov. Leon C. Phillips' "state's rights war."

After a conference with I. N. Towne, construction superintendent, Adjutant General Louis A. Ledbetter said it would not be necessary for the troops to remain at the damsite because "we are getting splendid co-operation from all officials here."

The Country Club will be alive tonight with lights and music and dancers when residents of the Sandhills turn out in full array for one of the biggest social events of the season, the Hospital Auxiliary ball.

Feature entertainment on the evening's program will be a concert given by the Yale Glee Club, which is being brought here through the efforts of Mrs. James Boyd.

The forty-eight glee club members are en route to Charleston as the second stop on their annual spring tour through the south. They presented their first concert of the tour earlier this week in Baltimore. Director Marshall Bartholomew has generously consented to bring his group here for a benefit performance as a special favor to the Hospital Auxiliary and Mrs. Boyd.

Horses Have Final Workouts and Appear in First-Class Shape; National Hunt Officials Arriving, Track Prepared.

WALLACH OPTIMISTIC

Put through their final workouts yesterday morning, the classy hunters and flat racers entered in the Sandhill steeplechase races here Saturday appeared to be in grand fettle for a grand occasion.

M'ALLEN, Tex., March 14.—(AP)—Twenty-three fruit pickers, mostly of Mexican extraction, were killed today in their orchard-bound truck which was struck squarely in the center at a grade crossing by a Missouri-Pacific passenger train. Seventeen other pickers were injured.

It was the most disastrous wreck in Texas history. The train crashed into the truck at 8:06 a. m., at a crossing six miles east of this lower Rio Grande Valley town. It carried the vehicle on its cow-catcher for about 600 yards. Bodies were scattered along the tracks.
