PATTY BERG WILL FACE STRONG OPPOSITION IN MID-SOUTH EVENT

Women's 54-Hole Medal Play Tourney Starts Monday at Southern Pines Country Club; Mrs. Page, Jeanne Cline Entered.

Monday morning, March 18, will find four former champions ready to tee off in the Twelfth Annual Women's Mid-South 54-hole Medal Golf Championship at the Southern Pines Country Club, in addition to a large field of other potential contenders.

Estelle Lawson Page, 1937 national champion who captured the Mid-South title the same year, Deborah Verry of Worcester, Mass., a champion of that state and tist in this tournament in 1936, and Helen Waring of Pinehurst, 1934 champion, will be on hand to present strong opposition to Patty Berg, former national champion and defending Mid-South title holder.

The Bloomington, Ill., youngster, Jeanne Cline, with a U. S. G. A. handicap of 6, will be a newcomer in this event and from her record during the past year is expected to startle many of the veterans who have been touring the Florida circuit.

Following the finals on Wednesday, the Thistle Club will be hosts at a large tea at which time the trophies will be presented.

STATE FINANCIAL STANDING FURNISHES REASON FOR PRIDE

Both native North Carolinians and her adopted sons can be justly proud of the Old North State in many ways, and not the least of these in its state government, and more particularly from a financial standpoint. The administration of the North Carolina state treasury is undoubtedly one of the most efficient in the entire nation.

A balanced budget, the dream of every administration is not just a dream in North Carolina. The state has reduced its bonded indebtedness (outstanding indebtedness less sinking fund) since 1932 from \$174,196,423 to \$139,398,128. The total local bonded indebtedness has been reduced from \$361,500,000 to \$315,000,000. A total reduction of almost one-fifth in eight years.

Certainly from a governmental standpoint no one could ask much more than is offered by the Old North State.

FAVORITES OUSTED IN AMATEUR-PRO GOLF AT ST. AUGUSTINE

ST. AUGUSTINE, Fla., March 14.—(AP)—The team of Clyde Usina Jr. and Walter Berkamo provided chief fireworks in the opening round today of the National Amateur - Professional match play bestball championship over the St. Augustine links. Usina and his amateur partner eliminated the highly favored combination of Henry Picard, current P. G. A. champion and Frank Ford, one up. Picard and Ford won the event in 1937.

Other favored teams also fell by the wayside. Jimmy Hines and Jimmy Ferrier were ousted by Lloyd Starrow and Dick Van Cleek. Paul Runyan and Charles Whitehead were beaten by Herman Kiser and Dick Doeschler in 21 holes.

Other results, with professionals listed first, included Rod Munday and Bobby Walker, ousted Vic Ghezzi and Roy Salmen 4 and 3. Harold McSpaden and Tommie Aycock defeated Ted Luther and D. Allen 5 and 4. Paul Bell and Peter Gruntal defeated Felix Serafin and Frank Allen one up. Sam Snead and Wilford Wehrle defeated Ben Loving and Jack Mitchell three and one. Gene Sarazen and Ellsworth Vines defeated Milton Triesh and Bob Montague five and four. Horton Smith and Marvin Ward defeated A. B. Thorne and Van Stiegel five and four. Craig Wood and Dave Mitchell defeated Lloyd Mangrum and Morton Bright one up in 20 holes. Chandler Harper and Al Dellens defeated Harry Cooper and Fred Hass.

MRS. SWEARINGEN'S DEATH IN CROSSING CRASH HELD ACCIDENT

A verdict of "unavoidable accident" was rendered by a coronor's jury late Wednesday night at an inquest held by Coroner R. G. Fry Jr. of Carthage, into the recent death of Mrs. Catherine Adams Swearingen.

Mrs. Swearingen, an employee of the Southern Pines Laundry, died in Moore County Hospital February 7 as a result of a fractured skull she suffered when an automobile in which she was a passenger was hit by a south bound Seaboard Airline train on the crossing at Connecticut Avenue and West Broad Street, Southern Pines.

The jury members impaneled by Coroner Fry were Barrett Harris, Thomas Miller, M. Y. Poe, W. L. Baker, E. J. Woodward and George Draughn, all of Southern Pines. The inquest was held in the Powell Funeral Chambers.

SENATE OKAYS LIMIT ON POLITICAL CONTRIBUTIONS

WASHINGTON, March 14.—(AP)—The senate approved a \$5,000 limitation on political contributions today by attaching an amendment to the pending anti-politics legislation.

The limitation provision, sponsored by opponents of amendments to broaden the Hatch act, carried by a vote of 40 to 38.

Senator Bankhead (D-ALA), author of the limiting provision, immediately clinched his victory when the senate tabled a reconsideration motion 41 to 38.

EINSTEIN 61 YESTERDAY

PRINCETON, N. J., March 14.—(AP)—Scientist Albert Einstein observed his 61st birthday quietly today at his home.

Asked whether he had any plans to publish anything in the immediate future on additional progress in his unified field theory research, he replied:

"No, no. I'm having difficulty there."

DR. KOCH IN FORUM PLAY PRESENTATION READS GREEN DRAMA

Proof that Pinehurst folks are gradually developing an immunity to the elements was proved by the size of last night's Forum audience. For those hardy souls who made the grade, the effort was amply rewarded by one of the finest Forums thus far.

Dr. Frederick H. Koch, the speaker of the evening, opened the program by telling of the great increase in dramatic interest evidenced by the schools of the nation at large, and relating many interesting specific facts in the undergraduate life of some of our foremost playwrights who studied under him.

Dr. Koch pointed out the metamorphosis which had changed North Carolina from being what Mencken had justifiably termed "the Sahara of Beaux Arts," to a state that at present has five volumes of its own dramatic literature published in some ten editions, and is having its hands full to meet the ever-increasing popular demand for more of them.

The play, "Fixins" by Paul Green, which was admirably read by Dr. Koch, was based on the life of a tenant farmer of North Carolina.

GIFT OF OLD METAL ASKED FOR HITLER ON 51ST BIRTHDAY

BERLIN, March 14.—(AP)—A decree by Field Marshal Hermann Wilhelm Goering, Germany's economic dictator, called on the German people today to make Adolf Hitler "a gift of old metal" on his 51st birthday, April 20.

A great collection of metals to replenish the materials and supplies of the war industries would be the gift the Fuehrer would appreciate most, the nation was told.

Germans therefore were urged to rummage their homes and shops for metal objects of all sorts which, even at considerable sacrifice, can be spared so as to keep the war factories going full tilt.

"After all their miscalculations, the enemy now hopes we will run out of certain metals, essential to the conduct of war, which they believe are produced in Germany in insufficient quantity," the decree said.

"We will give them the right answer and in good time create a metal reserve. Therefore I call on you to make a great collection."

COMMUNISTS REFUSED LISTING OF ELECTORS

TALLAHASSEE, Fla., March 14.—(AP)—The Communist party was refused today permission to have the names of its presidential electors printed on the ballot in Florida.

Secretary of State R. A. Gray informed Rob F. Hall, southern representative of the Communist National Campaign committee, that only the Democratic and Republican parties are recognized in Florida since only these parties were registered more than five per cent of the total qualified voters in the state.

SANDWICH BUFFET

During the last North and South golf championships Miss Dorothy Pierce sold more than 1000 sandwiches in the special sandwich buffet set up in the Pinehurst Country Club. This feature will be resumed starting Saturday, when there will also be served, for those who enjoy something more than a sandwich, a buffet luncheon.
