### GREENSBORO OPEN GOLF TO BE RESUMED TODAY

GREENSBORO, March 26.—What should be the last obstacle in the way of resuming the \$5,000 Greensboro open golf tournament was removed today when a bright sun burned all but a few scattered patches of snow off the fairways of the Starmount Forest and Sedgfield Country Club. The second round, therefore, will be played tomorrow at Starmount, with the field trying to catch Ben Hogan and Clayton Heafner.

### RUSSIA TERMINATES PARIS ENVOY'S DUTIES

PARIS—(Wednesday)—Strained relations between Russia and France appeared early today to have reached the breaking point, with semi-official dispatches from Moscow stating that the Soviet ambassador to France, Jacob Surits, had been "freed from his function as Soviet ambassador in France."

The dispatches said the French government had declared his presence in Paris no longer was desirable.

French officials refused to confirm or deny that the government had formally requested Moscow to recall Surits.

## King's Liberals Ahead In Eastern Canada

(By the Associated Press)

OTTAWA, March 26.—Prime Minister W. I. MacKenzie King's Liberals tonight piled up a strong lead in eastern Canada and accomplished the defeat of the leader of the chief opposition on the basis of initial returns from today's general parliamentary elections. The party standing at 8:15 p. m. showed 65 Liberals elected to six for the National Government party. The result was doubtful in 173 constituencies.

### FATALITY-FREE YEAR

WASHINGTON, March 26.—(AP)—Colonel Charles A. Lindbergh said today that the completion of a fatality-free year of operation by United States Airlines "indicates that the day is not far in the future when most first class travel will be by air." Lindbergh described the safety accomplishment as "one of the most significant advances ever made in commercial aviation" in a letter to Robert H. Hinckley, chairman of the civil aeronautics authority.

Mrs. Page, Defending Champion, Among Five to Card an 80; Jeanne Cline, Illinois Girl Challenger, Turns in 81 Score.

### MATCH PLAY TODAY

Miss Dorothy Kirby of Atlanta won the medal in the 38th North and South women's championship yesterday over the rebuilt number one course. Miss Kirby had a one-stroke margin over five players who returned cards of 80.

The number one course proved to be much more difficult for the ladies than the number three, over which this championship has been played for a number of years. It was on number three that Mrs. Estelle Lawson Page scored a 69 to establish the record qualifying total for the event in 1938.

Mrs. Page was among the women who finished in 80 yesterday. The others were Miss Jean Bauer, Miss Jane Cothran, Miss Deborah Verry and Mrs. Thomas Nolan of New Castle, Pa., a new comer to Pinehurst competition.

Next in line was Miss Jeanne Cline, the 16-year-old Bloomington, Ill., school girl, who went out in 38, thus tying Miss Verry for the lowest first nine played in the qualifying test. Miss Cline took 43 for the back nine. Her short game and putts were excellent.

Mrs. Thomas R. Rudel was next with an 82, and these first

## REPORT HEAVIEST BOOKINGS IN YEARS

Sam, Carolina doorman, reported an interesting item yesterday. It was the first morning in the history of his 30-odd years of service at The Carolina that there wasn't a single guest checking out of the hotel, in spite of evidence here and there of "that odd white substance" on the ground.

All the hotels report the heaviest March guest bookings in many years. A member of the Carolina Hotel staff told of one person who insisted on checking in, even though he couldn't get a room in the hotel. He was forced to take a room at one of the cottages in the neighborhood, with meal accommodations at The Carolina. All the hotel managers are looking forward to a busy April, too.

Mrs. William H. Parkinson, proprietor of The Manor, said "It certainly is," when the Outlook reporter suggested that this was a capacity business month. Jim MacNab, of The Pine Crest said, "There's just a little room in the attic. The telegraph messenger has muscle-bound legs delivering reservation wires."

Edwin S. Blodgett, of The Berkshire, said, "It's certainly a banner."

Ed Horne didn't have time to give a quotable answer. He merely gasped "Whew!"
