PINEHURST, N. C., April 9.—The twenty-second annual United North and South championship tennis tournament started today on the clay courts of the Pinehurst Country Club with a record field of 76 contenders in the men's singles and twelve in the women's singles.

The men's field is composed almost entirely of collegians, an enthusiastic group, and they are all keen to win, and paying their own expenses, something of a rarity in these days.

Forty-one of them are University of North Carolina students, and that is explainable by the fact that they can motor from Chapel Hill to Pinehurst and return every day. They carry their own lunch boxes or patronize hot-dog stands en-route, with a "coke" or "pop" to wash it down.

In all the history of intercollegiate tennis, there has never been a time when so many entries have been received from one college. John Kenfield, the coach, who has sent out year after year the finest tennis teams in the United States, is proud of the school's spirit, and has high hopes of carrying off the title.

Martin Buxby of Miami, a Class A national ranking player, is No. 1 in the seeding, followed by Archie Henderson, Charles Rider, defending champion, Bill Rawling, Don Buffington, Walter Meserole, Zan Carver and Harris Everett. All but Buxby and Buffington, of Duke, are from North Carolina. More than forty matches were wiped off the schedule today.

FIVE HORSES ENTERED IN RACE ON MATINEE CARD NEXT SATURDAY

Mrs. L. B. Smith and Uzal H. Martz Will Handle Their Own Trotters in Amateur Event.

By Wayne Groves

An amateur race with not less than five entrants will be a feature of the Pinehurst Matinee to be held at the Pinehurst race track, Saturday, April 17th, for the benefit of the Moore County Clinic.

Those who will drive in the amateur event include Mrs. Lawrence B. Smith of Southern Pines, who will drive the three-year-old trotter, Pagliacci, from her own stable. Uzal H. Martz of Pottsville, Pa., will have the mount behind Harvest Jim, a trotter that is in the Herman Tyson stable. Mahlon N. Haines of York, Pa., has entered his trotter, Leilani, being trained by Delvin Miller, and Mr. Haines will do the teaming in this event. B. C. Mayo of Tarboro, is another owner who will tool one of his own horses in this event, his entry being Captain January. The fifth entry in this class will be Danville Anna, a Hambletonian Stake candidate in the H. M. Parshall stable, who will have an amateur handling the reins.

Five entries have been secured for the Classified trot, which promises to be a particularly good race, as the entries are all nice trotters and appear to be well matched in the matter of speed.

Another interesting event will be the Biery Farm Pace in which will be seen a quartette of the fastest pacers in this noted stable, one of which will be Little Pat 1:58 3-4, world's champion pacing gelding.

The "parade of champions" this year will be of especial interest, as it will include no less than a half dozen two-minute performers, last year's Hambletonian Stake winner and other horses that have made a name on the trotting turf.

RUMOR BREMEN SUNK

(By the Associated Press)
Adolf Hitler's mighty German army yesterday streamed into Denmark and Norway by land, by sea and by air, seized the capitals of Copenhagen and Oslo, and brought about a new, Nazi directed government in Norway and extended the "wartime protection" of the third Reich to two kingdoms—3,750,000 Danes and nearly 3,000,000 Norwegians. Denmark did not resist; Norway met the invasion with scattered fighting, principally at Oslo.

After the Norwegian capital had capitulated in mid-afternoon, DNB, the official German news agency, reported that the regime of Premier Johan Nygaardsvold had turned over its powers to a cabinet headed by Major Vidkun Quisling, Norwegian Nazi leader, as premier and foreign minister.

German authorities today said they knew nothing concerning rumors circulated in Amsterdam that the German liner Bremen had been sunk.

Dread of a quickly spreading war gripped neutral nations of southeastern Europe today as the German invasion of Scandinavia was coupled with reports that the Nazis had demanded the right to police the Danube, pressing Rumania, Yugoslavia and Hungary.

A fierce naval battle was reported raging between British and German warships in the stormy North sea last night with the possibility of the allies getting immediate aid to invaded Norway resting on the outcome.
