HENDERSON WHIPS 3 OPPONENTS TO SET FAST TENNIS PACE

Chapel Hill Star Downs Bass, Neill and Meserole in Turn in Straight Sets; Baggs Presses Rider, Defending Champion.

NO UPSETS RECORDED.

By FRED HAWTHORNE
Sports Writer—New York

Archie Henderson of Chapel Hill was the sensation of the day in yesterday's play of the annual North and South amateur tennis championship. Henderson, who played in Chapel Hill, because his opponents had to make certain classes and could not manage to get to Pinehurst in time for the matches, won three successive victories, defeating in turn, Leon Bass, 6-1, 6-1; Don Neill, 6-0, 6-1 and Walter Meserole, 6-4, 6-1.

Henderson is scheduled to play Don Budge in Chapel Hill today.

Martin Buxby, Miami, and Charles Rider, defending champion, and the other seeded favorites gained their brackets in the round of sixteen as the men's singles tournament finished its second day of play. The field will be brought into the quarter-final round this afternoon.

In the women's championship singles two contenders entered the semi-final round, Miss Barbara Niels of Cleveland defeating Mrs. J. A. Keller, 6-2, 6-1 and Miss Alice F. MacDonald of Chicago vanquishing Miss Eleanor C. Strowd of Chapel Hill, 6-2, 6-2 in the quarter-final round. The two vacant brackets will be filled tomorrow morning.

Buxby, first in the seeding, was playing fine tennis yesterday as he crushed young Don Manchester, one of the numerous University of North Carolina entrants, 6-1, 6-1. Manchester was steady from deep court and occasionally scored on deftly.

PINEHURST SCOREBOARD

by ROBERT E. HARLOW

O. B. Keeler is one of the sentimental sports writers of America. Bobby Jones is one of the individuals upon whom Keeler showers his emotions in his stories about golf. Mr. Keeler must have felt very badly when Mr. Jones was forced to retire from the Augusta battlefield because of an injured back. Perhaps this was Mr. Jones' last farewell.

At any event, Mr. Keeler wrote himself a piece, so get out your handkerchief and read this possible swan song of Mr. Jones and Mr. Keeler. It appeared under Mr. Keeler's signature in The Atlanta Journal, which covers Dixie like the dew.

BOBBY RETIRES

It was almost too beautiful, the weather and all, and the tight scoring. And when, at 4:30 o'clock, Bobby Jones, the master of all the masters when the hair was down and the blue chips up — when Bobby Jones came and told me he was through for the tournament — and would not play Saturday; that he was checking out — checking out with that 76 in the second round, I came darned near sitting down there on the emerald slope of the practice green and behaving like a broken-hearted baby.

It was right, of course — it was the thing to do. As Bobby said, he was doing the tournament no good; and he was killing his left shoulder, whaling away at shots with his right side, when he could knock that ball no more than 200 yards, and scrambling

PINEHURST VILLAGE COUNCIL CONDUCTS ANNUAL MEETING

The Pinehurst Village Council held its annual meeting Tuesday in the general office, Mr. Richard S. Tufts, president of Pinehurst, Incorporated, presiding.

The annual report of departmental operations of the village, including police and patrol, fire, streets and parks and water and sewer, was presented by Mr. I. C. Sledge, secretary-treasurer of the corporation, and was unanimously approved. The operation of the village for the past year was found to be within the tax budget appropriation, there being a slight profit before amortization of permanent equipment investment.

A vote of appreciation was extended Mr. Tufts for his economical and capable management.

The council discussed problems of traffic, especially concerned about congestion of au-

CLASSIFIED TROT ON MATINEE PROGRAM TO BE HIGHLIGHT EVENT

By Wayne Groves

The Classified Trot, one of the four events carded for the Pinehurst Matinee at the Pinehurst race track next Saturday afternoon, promises to be a highly entertaining feature. Two of the five entries in this race, Playdale 2:07 1/2 and Robin Hanover, will be making their second matinee start of the season, as this pair recently competed with the crack trotters at an Aiken, S. C., matinee and showed well in that fast company.

The appearance of Cleo Hanover in this race will be of particular interest to those who have never seen the world's champion trotter, Greyhound 1:55 1/2 in action, as of all the trotters in training, this mare most nearly duplicates the "Grey Ghost's" noted space devouring stride. We do not mean to intimate that Cleo Hanover can trot as fast as Greyhound, but she does have almost the same way of going as has this great champion. In fact Cleo is a champion of sorts herself, this by reason of the unusual stunt of pacing to a record of 2:07 and one hour

ICELAND GOES IT ALONE

REYKJAVIK, Iceland, April 10.—(P)—The Iceland Parliament, oldest in the world, today took full control of this northern nation's foreign affairs in view of the German occupation of Denmark, to which Iceland is linked by the Danish crown.

A resolution adopted unanimously said that the situation created by the German invasion of Denmark made it impossible for King Christian X, monarch of both Iceland and Denmark, to exercise his royal powers.

BRITISH GUNS POINT AT OSLO; DEMAND NAZI GARRISON SURRENDER

Recapture of Two Norwegian Seaports Seized by Germans is Claimed; London Broadcast Says Reich Flotilla Apparently Routed.

BLUECHER IS SUNK

(By the Associated Press)

LONDON, April 10.—British warships pounding again and again at the German invaders of Norway, were reported tonight in dispatches from the north to have pointed their big guns at Oslo, demanding the surrender of the city by its Nazi garrison, during a bitter day of sea battle from one end of the "Hitler protected" Scandinavian kingdom to the other.

Two Norwegian cities, Bergen and Trondhjem, already were reported, without confirmation, to have been taken by British landing parties after one day of German occupation.

Delayed dispatches from Sweden did not say what happened at Oslo after one p. m. (7 a. m. EST) when the reported British deadline for the surrender of the city expired.

But the Stockholm report said that units of the British navy penetrated Oslo fjord, rocky sea approach to the occupied capital this morning, aided by coastal guns still held by Norwegian forces.

PROCLAMATION BARS U. S. SHIPPING AROUND SCANDINAVIAN SHORES

WASHINGTON, D. C., April 10.—(P)—In a sweeping move to insulate the United States from the war in Scandinavia, President Roosevelt proclaimed today a vast combat area embracing all of Northern Europe, and forbade American ships or passengers to enter it.

Later he issued an executive order which prevents the withdrawal from this country without special permission of any wealth owned by Denmark or Norway or their citizens. The aim, although not stated immediately, was presumably to prevent Germany from seizing the wealth.
