AUSTIN NICHOLS & CO., INC. NEW YORK, N.Y.

Its new look is just one nice thing about the '67 Chevy pickup

THERE ARE LOTS OF OTHERS. For instance, new durability: New sheet metal construction discourages rust. Eliminates exposed joints on cargo box and tailgate. Provides self-washing wheelhousings with special splash shields. Inner cab is specially treated against rust.

Also, added comfort, safety and convenience: Improved visibility all around. Dual master cylinder brake system. Telescoping lower steering shaft. Energy-absorbing instrument panel. Interior color-keyed to go with exterior paint. One-hand tailgate latch.

And extra strength: Full-depth double-wall side panels (Fleetside models). Double-wall steel in cab roof and other important areas. Plus famous Chevrolet truck features: Independent Front Suspension that gives a smooth ride—like a car. The most popular truck 6's and V8's. (And there are lots more, as your Chevrolet dealer will show you.)

TO THE CITIZENS OF NORTHAMPTON COUNTY

Again, allow me to thank you for your vote of confidence on November 8th. I shall strive to justify this through my votes in Congress and the services of my office. Let me express special appreciation to those of you who worked so hard in our behalf. I shall endeavor to be the congressman of all of the citizens. So let us now join together toward the total development of our great First Congressional District.

Sincerely yours,
Walter B. Jones, M.C.
