

Wine of Cardai is the guardian of a woman's health and happiness from youth to old age. It helps her safely into womanhood. It sustains her during the trials of pregnancy, childbirth and motherhood, making labor easy and preventing flooding and miscarriage. It gently leads her through the dangerous period known as the change of life.

WINE OF CARDU curs lencorrhoen, falling of the somb, and menstroal irregularity. in every form. It is valuable in mery raying period of a women's life. If relatorees the nervous system, acrs directly on the genital organs and is the linest tonic for women known. Ask your draggist for a \$1.00 bottle of B Wine of Cardui.

Batesville, Alm, July II, 1860. I am using Wine of Cardui and Thod-red's Black Braught and I feel like a o time. I have tures girls using it with no. Mrs. KATE PROWDER. > CHAITER II. AN ASPAIR OF HONOR.

THEN the carriage in which Burr Pendleten was a prisener arrived at its destination, the lasso was removed, but the scrape which so effectually hoodwinked him was not disturbed. One of his captors took him by the arni, and he was informed that if he would walk along quietly no barm would befall him. He complied without deigu-

He was conscious that his feet crunched upon gravel paths which wound in and out among shrubbery, for the branches frequently brushed against him, and once he thought it probable that he was again within the secluded garden of the Tacubaya gambling house. This illusion was soon dispelled, bowever, for after passing across an extended court that was flagged with stone and thence into a second shrubbed and graveled inclosure he was directed to mount a flight of On Monday, the 6th day of January, three steps, and he knew that he en-There was the yielding touch of soft minable period, although it could not he attempted to relieve himself of the

For a moment he stared around him the sort of treatment he had expected. He began to think that perhaps they that it was the favorite living room of 13 cast 10 poles to stake; then a lady; the pictures on the walls, the littered the table all assured him of fold him nothing, since every house in Mexico has its windows so furnished. > he discorned motion. At first he believed it to be an animal of some kind, but it seemed larger, and presently he decided that it was a human figure stretched at full length upon the ground and slowly, but surely, approaching the window where he stood. Instantly his perplexities were forcetten, and he watched the appreaching figure curiously. It was a man clad in the charro costume of home tanned bather affected by rurales, indescribable in color and almost invisible at night. Pendleton realized that he would never have discovered the figure had it not happened that his gaze was concentrated upon it at the very instant it appeared. Two men at the same window engaged in conversation and not intent upon anything in you will await me. Leave your hat particular might have looked upon it a dozen times without seeing it once. -

Quite naturally he asked himself the you." reason of the mysterious visit. He thought of an attempt at assassination, but dismissed the idea at once, and after conjecturing upon many possibilities, all of which were improbable, he gave it up and waited. The true reason did not once occur to him. The Mexican nature is naturally chivalrous, all critics to the centrary notwithstanding, and Pendleton was soon to have ocular proof of it.

The stranger glided up the steps ognized the chirography as the same with the silence and grace of a seras that he had received early in the pent, and when at last he had disposed day calling him to Tacubaya, and he his full length laterally against the added mentally, "Where I was foo; building, with his face close to the enough to go to be trapped by a we- grating, he hissed very much like one Pendleton in the meantime had reed one.
