Every housewife needs a remedy to regulate her meases and to keep her sensitive female organs in perfect condition.

is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter :

I am doing my own work without any help, and I is washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting fleshier than I ever was before, and sleep good and eat hearty. Before I began taking Wine of Cardui. I used to have to lay down five or six times every day, but now I do not think of lying flown through the day. Mrs. RICHARD JONES.
