A MONTE CARLO LEGEND.

your language.-James B. Connolly in some of their pet superstitions are now so old as to have acquired the respectability of venerable traditions. The croupiers of Monte Carlo have an interesting set of traditional superstitions of their own, most of which are entirely unknown to the many thousands of visitors who toy with the "tiger" in that gilded court of chance.

The most striking of these is the story of the Wandering Jew, which the crouplers believe as fervently as they do that the bank will down any "system" that ever was invented. There is one day, and one day only, in the year on which the rooms of the casino at Monte Carlo are closed-that is on opened on the following day, they say, "Fables For the Elite." the first person to enter the "Grand Nouvelle Salle de Jeur" is an old man a joke are usually content with the of venerable appearance. He wastes smallest jests .- "The Vuitures." no time; but, walking straight to one of the tables, he places with the trembling fingers of extreme old age a piece of money upon a certain number. The wheel is turned, the croupler's nasal cry falls upon the ear, announcing that the number selected by the old man has won. With a bitterly savage exclamation the aged man seizes his wingings, throws them about him and hurries from the room to disappear, no

one knows where. He is the Wandering Jew, and until he can lose a bet at Monte Carlo he must continue his wanderings. Get on the "blind side" of any of the old croupiers of Monte Carlo, and they will tell you this legend. Have they seen him? Of course they have and are fully persuaded that the aged and mysterious stranger is none other than the man condemned to perpetual earthly wanderings nearly 2,000 years ago.

An Obstacle to Picty. A story told by a western congressman is about two brothers. Ed and Jim, who dealt in wool at their home in Iown.
