THE FORD'S BLACK DRAUGHT FOR CONSTIPATION

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. The Ford's Black-Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original The Ford's Black-Draught, made by The Chattanooga Medicine Co. Sold by all druggists in 25 cent and \$1.00 packages.

Morgan, Ark., May 25, 1901. I cannot recommend The Ford's Black-Draught too highly. I keep it in my house all the time and have used it for the last few years. I never gave any children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.

Property Loss May Reach Over a Million and Loss of Life May Be Appalling—Four Known to Be Dead.

Spartanburg, S. C., June 6.—A terrific flood caused by a storm reaching the proportions of a cloudburst last night, has practically destroyed the milling district of Facelot and Clifton.

The property loss will probably reach \$1,500,000.

At Facelot the following damage is reported:

Mill No. 1 has been washed away. Mill No. 2 is totally destroyed. The dams of the three mills are gone.

The warehouse of Mill No. 1 washed away with total stock of goods and cotton.

Hotel, Presbyterian church, livery stable and nearly every building in the town washed away.

At Clifton Mill No. 1 has been destroyed.

The property loss will be appalling and the destruction very great.

Located on Facelot river, there were three of the mills of the Facelot system in addition to the one at Gainesville, Ga., wrecked by the storm on Monday. The total equipment of the three mills at Facelot is 60,000 spindles and 2,200 looms.

The Facelot river at this place develops 3,000 horse power for commercial purposes. The mills consume about 30,000 bales of cotton annually.

Jackson, Ky., June 3.—The order changing the trial of Jett and White murder cases to Morgan county has been withdrawn and the cases will be tried here as soon as a jury can be summoned from an adjoining county.

The court's order of yesterday to hold their trial had not been entered and upon the suggestion of Commonwealth Attorney Byrd, of inconvenience and danger to witnesses entailed, the court directed that the order be not entered, and that the cases go to trial here.

MINISTERS MAKE APPEAL.

Country at Large Asked to Help the Little City of Gainesville.

Gainesville, Ga., June 6.—The ministers of Gainesville have issued the following appeal to the ministers everywhere for aid for the storm sufferers:

"To the Pastors of Our Clergy and Our Common Country: We, the ministers of Gainesville, Ga., beg a generous people to open their hearts more widely for the assistance of our stricken community. Liberal contributions have already been made, but those have only sufficed for immediate necessities.

"A great many homes have been destroyed and several churches demolished. White and colored have suffered alike. One house of worship for the whites and four for the colored congregations have been entirely swept away. One school house is a total wreck, 20 homes, besides the 100 factory houses, are utterly destroyed.

"We beg in the name of our God and common humanity that the clergy everywhere makes a special appeal on Sunday, June 7, for aid, not only to supply food and clothing, but to furnish shelter for the homeless and rebuild their houses of worship.

Baltimore, Md., June 6.—In response to a telegram from Mayor Parker of Gainesville, stating that the storm sufferers needed provisions, clothing and household goods, the citizens' permanent relief committee met in the mayor's office and issued an appeal to the public for \$2,500.

As the committee is without definite information as to the transportation of supplies, these contributions will be confined to cash for the present, and until more definite information is obtainable as to the wants of the sufferers."

It was further decided that clothing be bought at once and sent to Gainesville, Ga., the purchase to be paid for when the contributions are received. The relief committee sent by express nearly \$2,000 worth of clothing to Gainesville, Ga. The clothing is for men, women and children. Mayor McLane, John S. Wilson, James C.
