THEDFORD'S THE GREAT family medicine

Thedford's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and reg-ulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rhoumatic pains, sideache, backache, kidney troubles, constipation, diarrhea, biliousness, piles, hard colds and headache. Every drug-gist bas Thedford's Black-Draught in 25 cent packages and in mam-moth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Thedford's Black-Draught Is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Blackbraught. A. J. GREEN, Illowara, La.
