THURSDAY, MAY 5, 1904.

JUDGE JUSTICE INDORSED.

The Democratic convention here Monday, did well in indorsing our county man, Judge M. H. Justice as a candidate for Associate Justice of the Supreme Court. In honoring him the county honors herself. He has always been true to his people and party, and THE TRIBUNE would rejoice at his promotion. The resolutions have not been overdrawn. He has filled every trust honorably and with ability that has been committed to his hands, and would be an ornament to the highest tribunal in the State.

**THE WAY IS OPEN.**  
We have these announcements this week, but we will make room for more.

D. F. Morrow announces his candidacy for the Senate elsewhere. Mr. Morrow began the fight for a primary two years ago, and has seen his cherished hope fulfilled. Now he submits his claims to the people and will loyally abide their verdict at the polls. If not the choice of the people he is for the people's choice. He is no kicker.

K. E. Flack makes his debut into political preferment by his announcement as a candidate for Register of Deeds. He comes of Democratic stock on both sides; is a graduate of one of the State's leading colleges; is a man whose christian character is well known, and who is in every way qualified for the position to which he aspires.

C. R. Simmons makes his announcement for Register of Deeds also in this issue. He is a son of R. L. Simmons, deceased, of this county, and is a well-known business man, having been, we believe, head salesman in both the Henrietta and Caroleen Mills Stores, and general manager of the Florence Mills Store at Forest City, embracing a period of ten or twelve years. He is a very pleasant gentleman socially and in every way worthy and competent. Charley has a host of friends who will work to secure his nomination and election to this office.

## JUDGE ALTON B. PARKER.

We present, on our first page, an etching of Judge Parker, whose star is in the ascendancy for President of the United States at the St. Louis convention. If nominated, and it seems now that no contingent event could be more certain, Judge Parker stands an excellent chance to be elected in November.

Subscribe for THE TRIBUNE. It is printed every Thursday evening.

## THE COUNTY CONVENTION.

The first county convention of the year has come and passed into history. Those who were expecting any dissensions must have returned to their homes with a feeling of disappointment for everything said or done was in the spirit of union and harmony in the Democratic ranks.

The question of a primary had been submitted by the committee to the voters themselves on last Saturday. The attendance at the precinct primaries, as the returns show, was small all over the county; but of those who did express themselves, the question of a primary won by a handsome majority, and the convention on Monday made the call unanimously. The people will, therefore, for the first time in our history, nominate their candidates for the county offices by a direct vote of the Democratic party at the polls.

Now that this question has been passed upon let us divest ourselves of whatever prejudices that may have been engendered; set our hands to the work of nominating the very best men we have, and unitedly work to secure their election in November. We can do this; we must do nothing less than this. Let the things that were be as though they were not.

We be brethren. If all were agreed, as we think they should be, we are simply invincible. To your tents!

## THE COUNTY CANVASS.

The question as to whether the candidates before the Democratic primaries will canvass the county or not is already being mentioned. It seems that some fear that an active canvass will result in bad feeling, and will furnish our common enemy, the Republican party with ammunition with which to fire the Democratic nominees later on in the campaign. Others think the only way by which the people can be informed relative to the merits of the several aspirants is by a direct appeal to the people themselves.

These views for and against an active canvass will adjust themselves later. After all the candidates shall have announced themselves, they will determine among themselves the wisest course to pursue.

## THE EASTERN WAR.

The war in the east is assuming a more serious phase. Active operations on the Yula river are going on. In a land engagement there last Sunday the Japs defeated the Russians with a loss of over 2000 men.

A second attempt on the part of Japan to block the harbor at Port Arthur was unsuccessful, resulting in a loss of several fire ships and two torpedo boats to the Japanese.

The tide of war sweeps on with advantage on the side of the Island Kingdom, but the Russian resources are such as not to be overcome by many such reverses.

## ENDORSED FOR CONGRESS.

Hon. J. M. Gudger, Jr., will be renominated for Congress without opposition. McDowell and Polk counties have instructed for him—and it is now conceded that this county is practically solid for him. At the primary on Saturday last some of the townships instructed for Mr. Gudger and others would have done so, had the matter been called to their attention. Mr. Gudger was here Monday and it was a subject of remark that he was the choice of the people of this county.

## The Exposition.

At the opening of the Louisiana Purchase Exposition at St. Louis April 30th, over 187,000 tickets of admittance were sold to say nothing of the complimentary visitors.

THE TRIBUNE until January 1st, 1905, for only 50 cents.

## POLITICAL PREFERENCES.

### Plenty of Fruit in Some Localities—A Marriage—Personals.

**Correspondent of THE TRIBUNE.**  
NANITO, May 2.—We are having some nice weather for farming now. It has been a cold backward spring and the peaches are about all killed except in a few favored localities that are above the frost belt. F. D. Koon and Copper Bill both have an orchard of that kind and they have a good crop of fruit.

Farmers are generally pretty well up with their work. Forward corn is coming up nicely. The wheat crop is a little backward this spring owing to the cold weather.

People are becoming somewhat aroused politically. We met at our precinct Saturday and voted on primary. The vote stood thirteen to 3 in favor of primaries.

Mr. C. F. Blanton, of Ellenboro, was here this week on business.

Miss Suda Ledbetter, of Ayr, is spending this week here visiting relatives.

Mrs. Malissa Bland is spending this week with her daughter, Mrs. R. Ledbetter at Ayr.

Mrs. Dovie and Docia Spangler were pleasant visitors here Saturday and Sunday.

Mr. C. F. Blanton is buying bark for the Blanton Tannery at Ellenboro.

We have been informed that Mrs. Mamie Morrow, of this place was married to Mr. Lester McMahan, at Forest City.

Miss Cordelia Camp returned from Forest City this week where she has been visiting relatives.

We hear Mr. Braxton Flack's name spoken of as a candidate for sheriff. Mr. Flack was raised in this community and is very popular.

Honorable J. F. Alexander is the most prominent man for the Senate and we would like to see him nominated.

Give us Gudger or Crawford for congress. Both are worthy men and we don't care which one we have.

W. N. S. Rollins, of Nanito, would make us a good sheriff. He has made wonderful improvements on his farm; it looks fifty per cent better and one who makes such a success as a farmer would make a good officer.

### Latimore R. F. D. Notes.

**Correspondent of THE TRIBUNE.**  
LATIMORE, R.F.D. No. 1, May 3.—The boys of this section have organized a base ball team and played their first game last Saturday afternoon. They did well for their first.

The farmers of this section are getting along nicely with their work. They will soon all be through with their planting, and we are glad to see a more thorough preparation of the soil this year than usual. This means better results in the end.

Miss Tonicie Walker returned home from Shelby last Saturday, where she has been spending a few weeks with her sister, Mrs. F. L. Hoyle.

Rev. Martin Gold, a promising young minister, preached at Sandy Plains May 1st.

J. P. Walker and family visited at J. D. Bridges, Sunday.

Mr. and Mrs. J. A. Green, of this place, visited at Mrs. J. F. Green's of Hollis, May 1st.

Mrs. G. W. Whitaker and family and W. E. Walker and family, spent Sunday with Z. R. Walker.

### Shiloh News Items.

**Special to THE TRIBUNE.**  
SHILOH, May 2.—Messrs. J. T. Ruppe and J. E. Bradley each have a daughter born on the 30th day of April, 1890, and last Saturday being their fourteenth birthday. Misses Ophelia Ruppe and Ethel Jackson celebrated together the occasion by having a nice dinner for their mutual friends.

Mrs. V. M. Taylor, of South Carolina, is visiting her relatives in this community.

Mrs. Jane Allen and her daughter, Miss Panthea, and son, Samuel, visited Mrs. Ollie Harris at Caroleen Sunday. She states that there is a great deal of sickness there now.

The little showers that fell this evening will help the cotton seed out of the ground and will also enable General Green to come forth in full battle array. He has stayed back well this spring, so we may expect a fierce battle. Prepare to meet the enemy.

### Forest City News.

**Correspondence of THE TRIBUNE.**  
FOREST CITY, May 3.—Rev. Hedgepeth and family visited in Waco, Saturday and Sunday.

Mrs. Moss, we are sorry to learn, is still dangerously ill.

Master Royalston Bryant, after a brief illness, is able to be out again.

Rev. Farthing has been in town the past week in the interest of the graded school. It is supposed he will be the principal for the coming year. He conducted prayer meeting for Rev. W. O. Goode, Thursday night.

Mrs. Gussie Bryant and children visited in Bostie, Friday.

Mr. G. A. McDaniel and family spent Sunday in the country with Mrs. McDaniel's father, Mr. Tom King.

The Golden Link Missionary Society had quite an interesting meeting at the M. E. church, Friday afternoon.

Miss Johnston, a returned missionary from Korea, will lecture in the M. E. church, May 10.

**Ladies and Children**  
Who can not stand the shocking strain of laxative syrups and cathartic pills are especially fond of Little Early Risers. All persons who find it necessary to take a liver medicine should try these pills, and compare the agreeably pleasant and strengthening effect with the nauseating and weakening conditions following the use of other remedies. Little Early Risers cure biliousness, constipation, sick headache, jaundice, malaria and liver troubles. Sold by Dr. T. B. Twitty and Crowell & Wilkie, Forest City.

## ROUND HILL ACADEMY.

### Commencement Exercises Will Begin May 25th—Other News.

**Correspondent of THE TRIBUNE.**  
UNION MILL, May 3.—Miss Pruett, one of the teachers of Round Hill Academy, made a visit to her home at Ellenboro Saturday, returning Tuesday.

Rev. C. B. Justice was in our place Tuesday.

A good congregation attended communion services at Round Hill church Sunday, and listened to a good sermon from the pastor, Rev. C. B. Justice.

Mr. and Mrs. Albert Freeman, of Port Worth, Texas, were the guests of Mrs. Susan Freeman Sunday and Monday.

Everything is busy about the Academy now, getting ready for final examination and commencement exercises.

Commencement exercises will begin May 25th and continue until the night of the 26th. Everybody get ready to come, the school will furnish you fine entertainment.

There will be "Children's Day" exercises at Thermal City next Sunday. All are expecting a good day.

Miss May Weeks, made a visit to her home Saturday and Sunday.

Rev. D. J. Hunt went to Montford's Cove Tuesday and preached the funeral of Mrs. Rucker Ledbetter, of Brevard.

### No Crosses of Honor Received.

Mrs. Bessie Hoyle Rucker, president of the Davis-Dickerson-Mills Chapter, North Carolina Division, United Daughters of the Confederacy, began some weeks ago a correspondence, first with Mrs. R. H. Lewis of Raleigh, which was finally referred to Mrs. Gabbert, Atlanta, Ga., Custodian for the crosses of honor, generally conferred on the Confederate Veterans at their reunions, with the hope of having a supply of these May 10th. Her efforts thus far have served no valuable purpose. No crosses have been received. It is because the North Carolina Daughters voted at the last reunion at Charleston, S. C., against Mrs. Gabbert? We hope not. We wish the daughters here to make their annual visit Tuesday to the cemetery and decorate every Confederate grave with flowers; and we to believe they will do so?

### Two Valuable Receipts.

Our friend, J. H. Smith, of Itom, gives us this valuable receipt to prevent chicken hawks from deprecatng on young poultry. He has tried it; it will do the work.

Whitewash all fruit and other trees about the yard with a solution of lime. Hawks won't go about them. Try it.

For so-called hollow horn and hollow tail in cattle:

When the cow refuses to eat or milk, fill the palm of your hand with spirits of turpentine and hold to the cow's navel. If the cow is sick it will be absorbed at once, and the cow will be well in a few days. Usually one application will do the work. If it does not, repeat every third day.

### Kodol Dyspepsia Cure

Digests what you eat.

## LOCAL AND PERSONAL NEWS.

—Misses Daisy and Clara Nancey, of Darlington, and Miss Julia Wood, of this place, were welcome visitors to THE TRIBUNE office yesterday. Miss Clara will return to Marshall May 20th, to look after the literary societies connected with the school there, until term time, while Miss Daisy will not resume her work until some time in August. It is a matter of regret that these accomplished teachers cannot be retained in the schools of this county.

### When the Sap Rises

Weak lungs should be careful. Coughs and colds are dangerous then. One Minute Cough Cure cures coughs and colds and gives strength to the lungs. Mrs. G. E. Fenner, of Marion, Ind., says, "I suffered with a cough until I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of my cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Dr. T. B. T. Twitty and Crowell & Wilkie, Forest City.
