### Reliable and Gentle.

"A pill's a pill," says the saw. But there are pills and pills. You want a pill which is certain, thorough and gentle. Mustard's gripe. DeWitt's Little Early Risers fill the bill. Purely vegetable. Do not force, but assist the bowels to act. Strengthen and invigorate. Small and easy to take.

### Modern Surgery Surpassed.

"I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits.

### A Physician Testifies.

"I have taken Kodol Dyspepsia Cure and have never used anything in my life that did me the good that did," says County Physician, George W. Seroggs, of Hall County, Ga. "Being a physician, I have prescribed it and found it to give the best results." If the food you eat remains undigested in your stomach, it decays there and poisons the system. You can prevent this by dieting, but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never fails.

## The Everett Hardware Co.

The McCormick Mowers, Reapers, Corn Harvesters, Shredders and Rakes stand at the very top. We have a car load coming; we can save you freight.

We are agents for the Continental Gin Co., for the Casey & Hedges Engine and Boiler Co., for the DeLoach Saw Mill Machinery,—in fact we have established close relations with manufacturers and foundries, so that we are in position to make right prices on anything you need in the machinery line. Take a trip to Charlotte; get your prices, and if we do not offer you better inducements, we cannot complain if the order goes elsewhere.

## COME IN AND SEE OUR LINE.

We should say lines; we think we can interest you for a half hour, even if you do not want to buy.

We cannot tell you everything we wish to say in this space at one time; but watch it; we will get around after a while.

This Hardware and Supply business, it is true, is kept separate from my general store; because it enables us to buy a great many things on a better basis than we could if we did not run it as a distinctively hardware business.

We think we can serve your interests in both stores. Anyway, we will appreciate an opportunity to try.

Yours truly,

W. I. EVERETT
