

SPECIAL SALE

For The Next Ten Days

It is somewhat strange to make such a great Special Sale at this time of the year, but having bought a larger stock than ever before for the Fall and Christmas trade, and finding that the Farmers are holding their cotton and are slow about buying,—therefore, we have decided to close out our entire stock of up-to-date Men's and Boys' Suits, Overcoats, Ladies' Skirts, Jackets, Capes, Men's Hats, and all kinds of Neckwear, Shoes, &c., at prices that will make you buy now.

We have figured our great loss by these cut prices, and while they are great, we know positively that it is good business on our part, as you will appreciate the bargains and we will have the cash to buy our Spring and Summer goods,—in other words, not having the Winter goods carried over till next Fall.
